Traveling Through Time

The high school years fly by quickly as memories are made, goals are achieved, & lasting ties are made between friends. As the year ends, realization hits that the time we've had together is coming to a close. In retrospect, we've experienced these best of times together which have made many lasting impressions on us. We've also realized that we're all just traveling through time and that there is a time for everything: a time to play, a time to learn, a time to laugh & sing, a time to reflect, & a time to say goodbye.

IN MEMORY OF SEPTEMBER 11, 2001

For those whose lives were lost & those who risked their lives to save others...

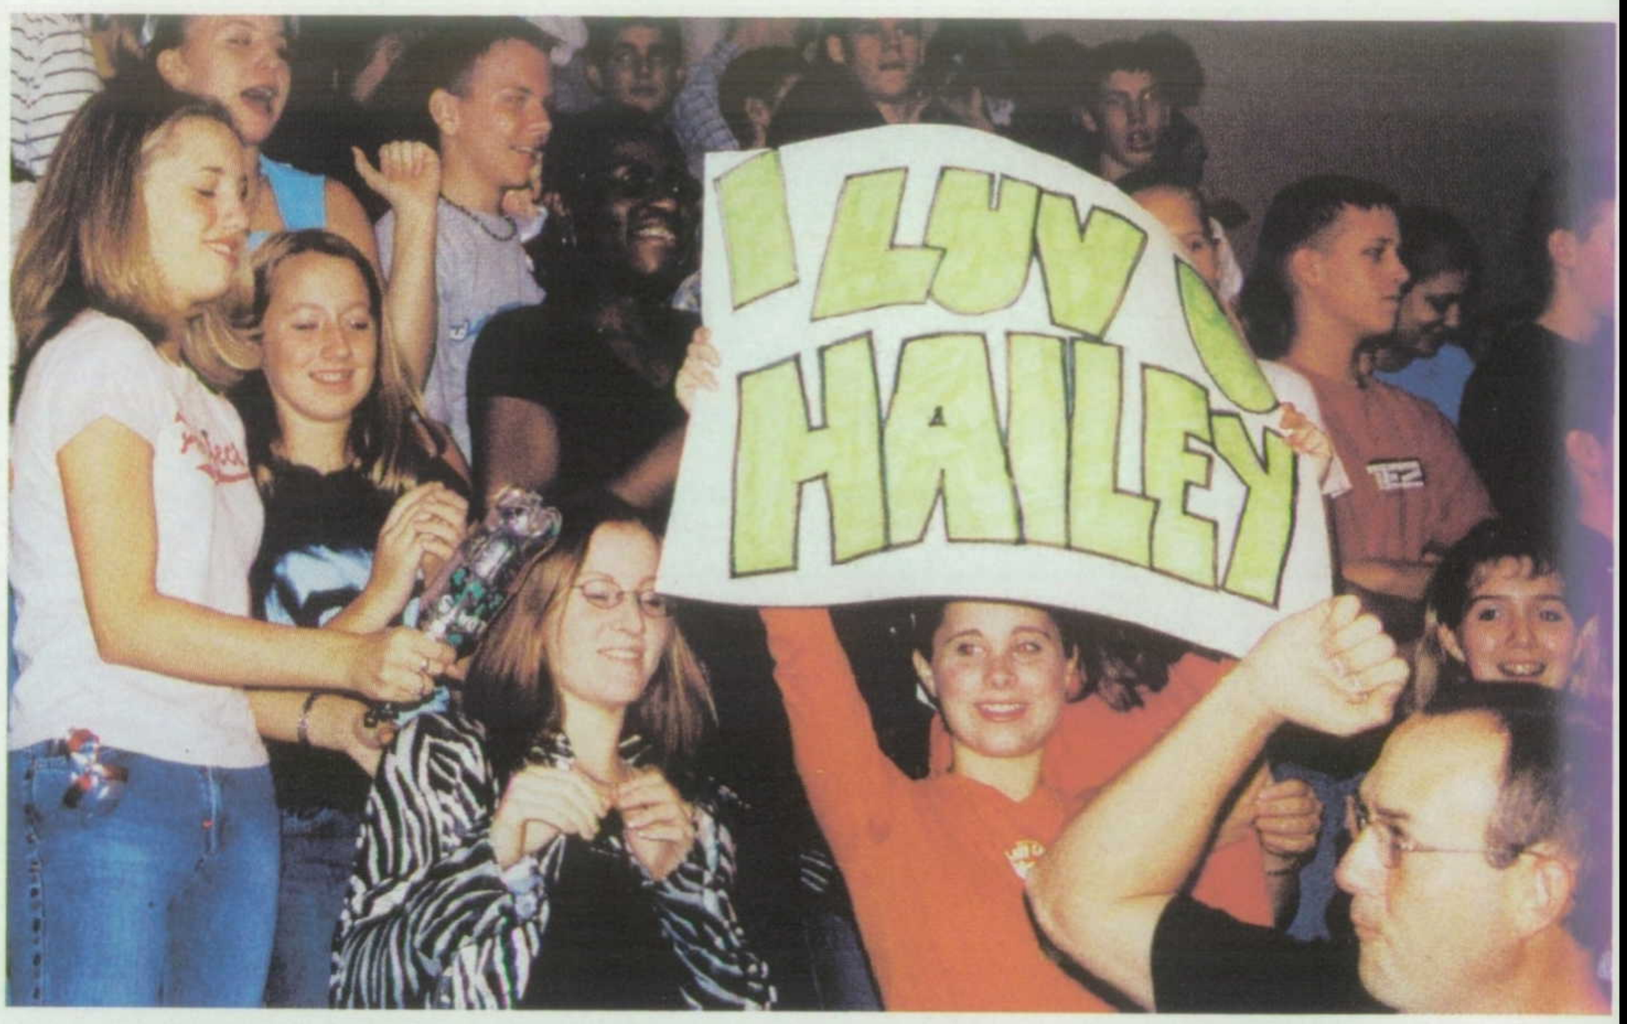

Shock!! Disbelief!! Fear!! Anger!! These were the emotions felt by Americans as the result of the terrorist attacks on the United States. The events of September 11th will change how we live our lives & how the world does business forever. After we care for the victims & deal with our emotions, it is imperative we not only get back to living our lives, but that we do so with a renewed dedication & commitment. If we succumb to fear, then the terrorists win. It is essential that we as Americans, both young & old, stand strong together in the face of terrorism.

Pep Rallies

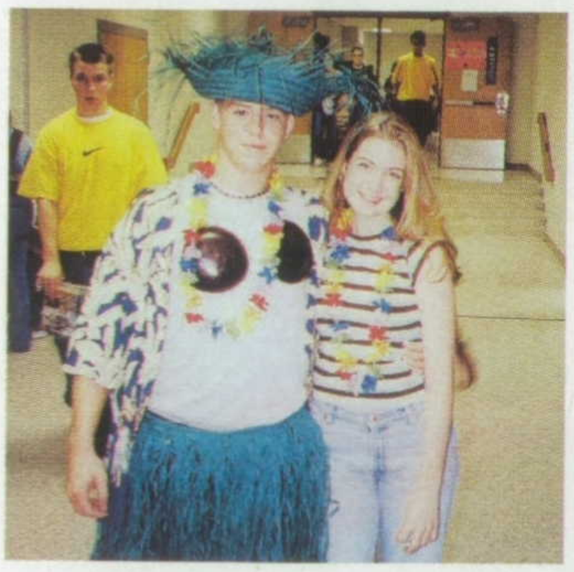

Time for Spirit

The Kennedale students filled this year's Spirit Week with many activities that could become new traditions at Kennedale High School. NHS held a paper-chain fundraiser and a penny war to determine the most spirited 2001-02 class. Proceeds were split between the most spirited class and a September 11-related charity.

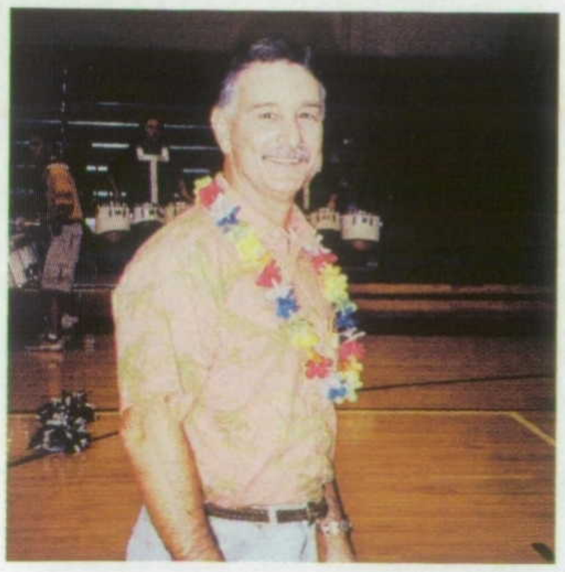

Each day of Spirit Week was associated with a different theme. Monday had the halls filled with bobbing caps for Hat Day. Tuesday had students sporting red, white, and blue for Patriotic Day. On Wednesday, many people had to do double-takes between the many twins on Twin Day. On Thursday's College Day, many students showed their respective college-pride by wearing their favorite college t-shirts and sweaters. Friday was the traditional Kennedale Spirit Day with most of the student body wearing their finest, complete with mums and garters that jingled through the halls.

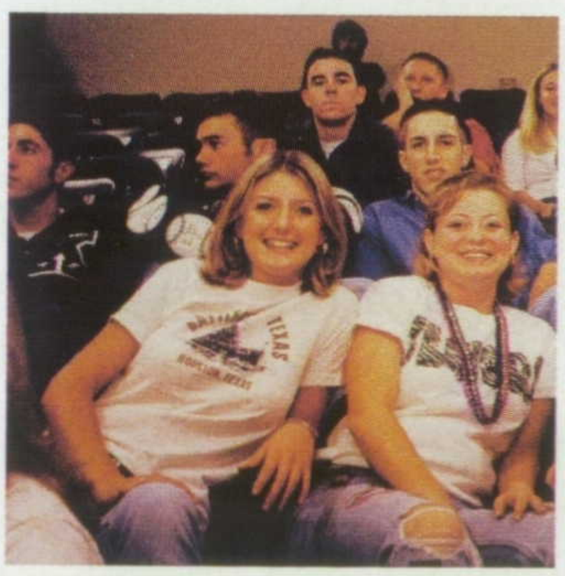

Congratulations went to the seniors for winning ALL the special Homecoming events for the year and for receiving the spirit stick as well.

Jr. Steven Boyle and Soph. Jordan Stone went over the top during the Hawaiian day pep rally.

Mr.Farmer appeared at the Hawaiian pep rally decked out in his most fashionable tropical clothing.

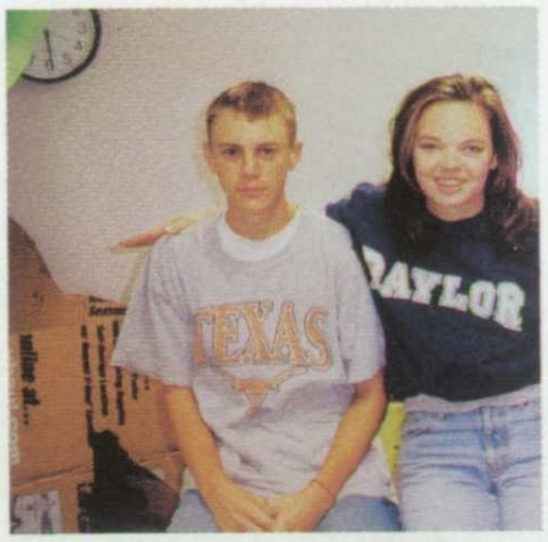

Srs. Kaleigh Cantrell & Dannielle Loken appeared at every pep rally dressed in their custom- made Kennedale spirit blue jeans.

Sr. Jessica Little and Jr. Johnny Skinner eagerly showed off their mum and garter for Homecoming.

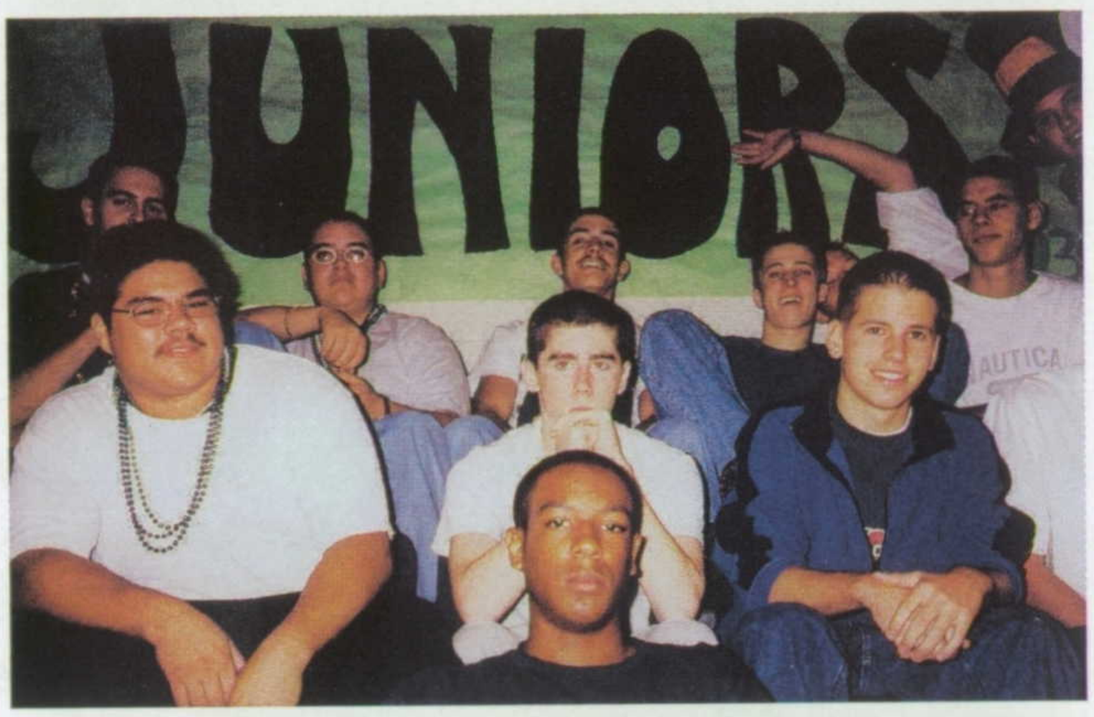

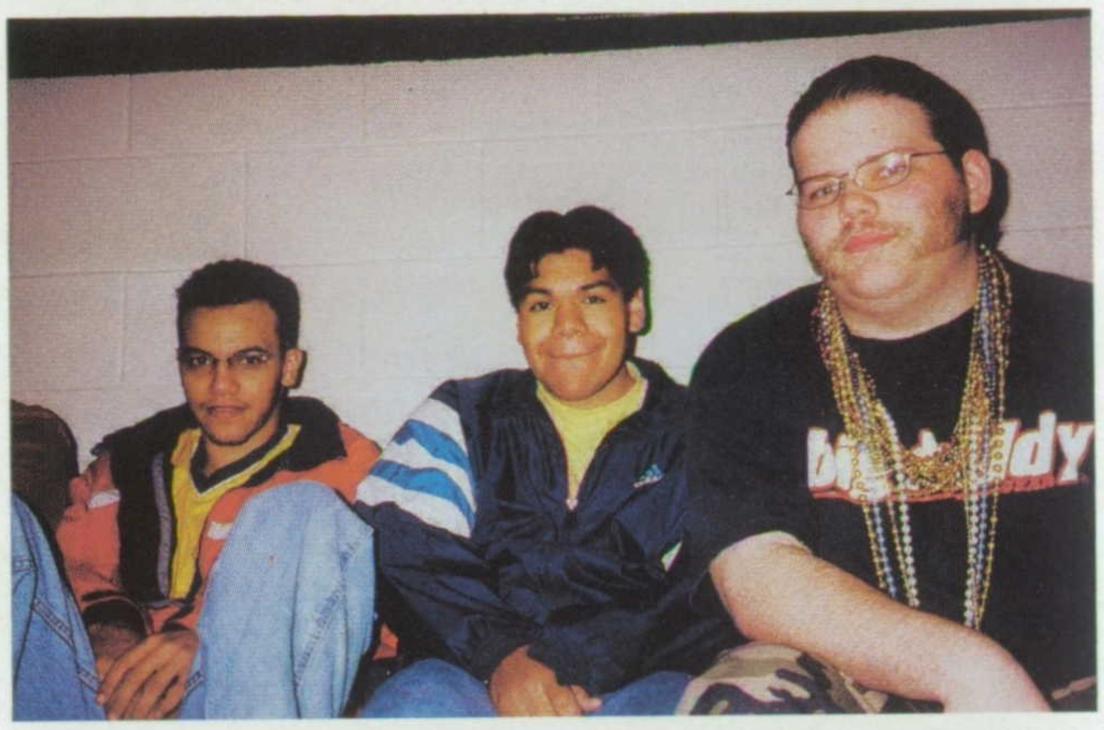

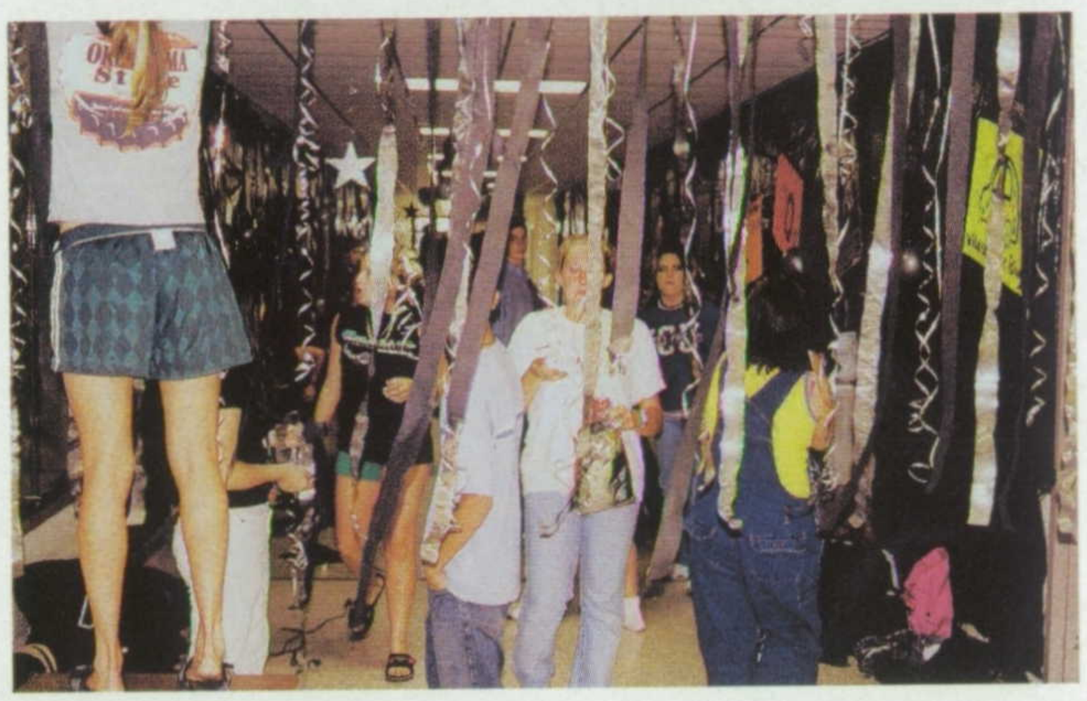

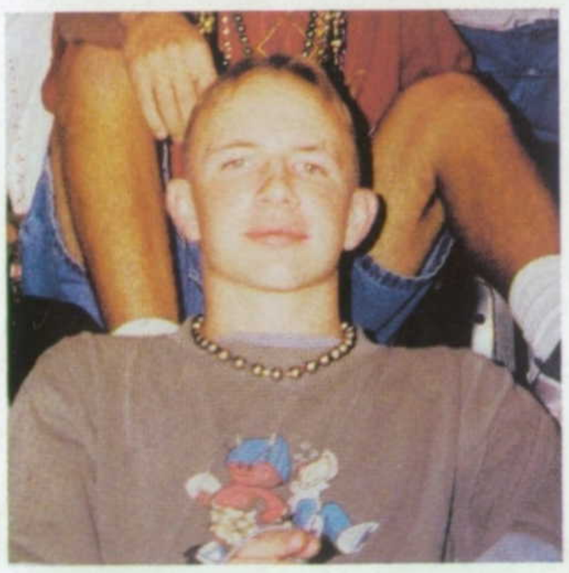

Hali Hinz and Erica Hopperstead work hard to complete their hall decorating before the halls are judged.

Brandon Collingwood and Jeff Brum are waiting patiently for the pep rally to begin.

Justin Morris can't wait to get the pep rally started so he can pour out his KHS spirit.

Rebecca Baylock and Ashleigh Egetoe show their school spirit during the hall decorating contest.

Game of a Life Time

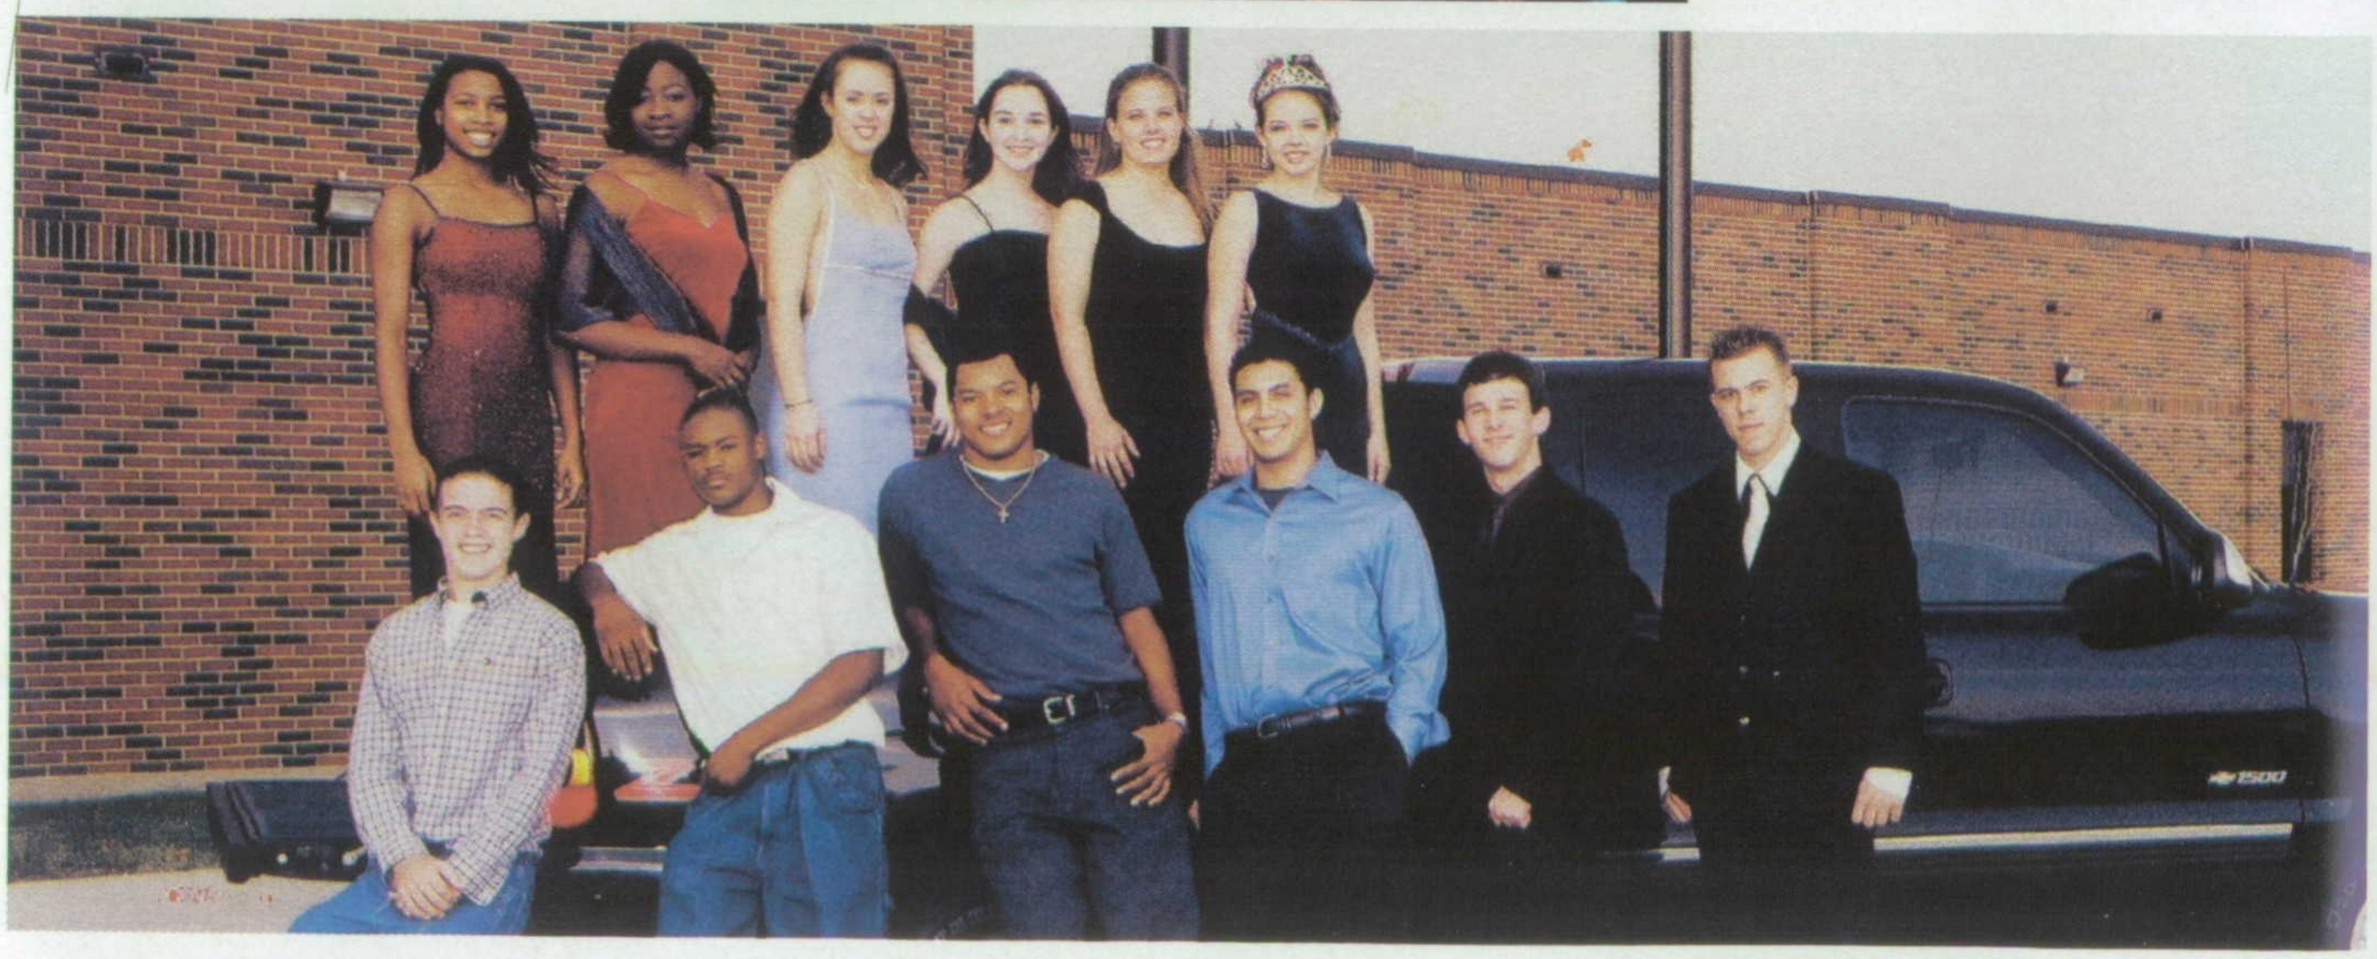

The welcome cool autumn air on the night of September 28, 2001; the enticing smell of popcorn & barbeque from the concession stand; & the excited crowds of milling people; yelling greetings to old friends & new; all added to an atmosphere of expectancy to the highlight of the day: The Homecoming Football Game. By kickoff time, the home bleachers were packed with past, present, & future students & fans, who were adamantly cheering for their Wildcats. Although the team fell behind during the first quarter, they came back strong in the second quarter, & the score was close by the end of the first half.

During the half-time show, each representative of the Homecoming Court was escorted to the middle of the field where they were announced to the cheering crowd. Then a hush fell over the stands as the Homecoming King & Queen, Albert Parra & Aubry O'Brien, were presented & crowned. Parra said on reflection of that night, "I was really happy that I got Homecoming King & that so many people voted for me. It was very special & something I will never forget." During the second half, the Wildcats played exceptionally well & following an amazing fumble recovery, they clenched the victory with the final score being Kennedale 21 to Little Elm 16. The enthusiastic fans gave the Wildcats a standing ovation & yelled many congratulations as the team left the field. All in all, Homecoming 2001 proved to be a memorable & successful event.

A Time to Celebrate

Nothing creates more school spirit than a winning team. This year as the Wildcat football team qualified for the state playoffs more & more pep rallies were held in celebration as they won.

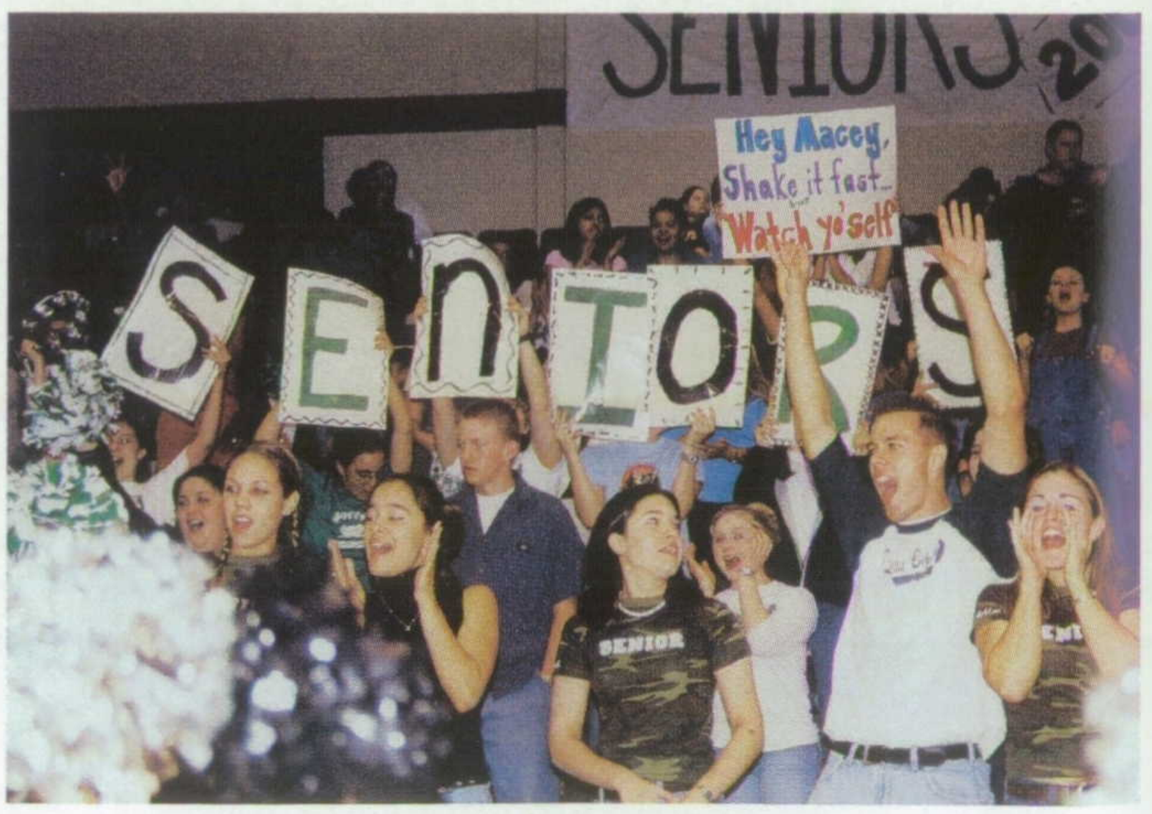

During the regular-season games, a motivational theme was chosen for each pep rally to encourage participation of all the student body.

Due to the new schedule, the pep rallies were shorter, but each was filled with lively performances by the drill team, cheerleaders, band, and the newly-formed step team. Their enthusiasm created a sense of excitement that soon radiated throughout the crowd.

In keeping with Kennedale tradition, each pep rally ended with the battle cry competition and the school's alma mater. This allowed the whole student body to join together for a few minutes in time to honor out team and school.

Our fantastic football season allowed the pep rallies to be a huge success.

Trends of the Time

Karl Jones, Amanda Lindsey, and Sarah Aldredge show off their punk style.

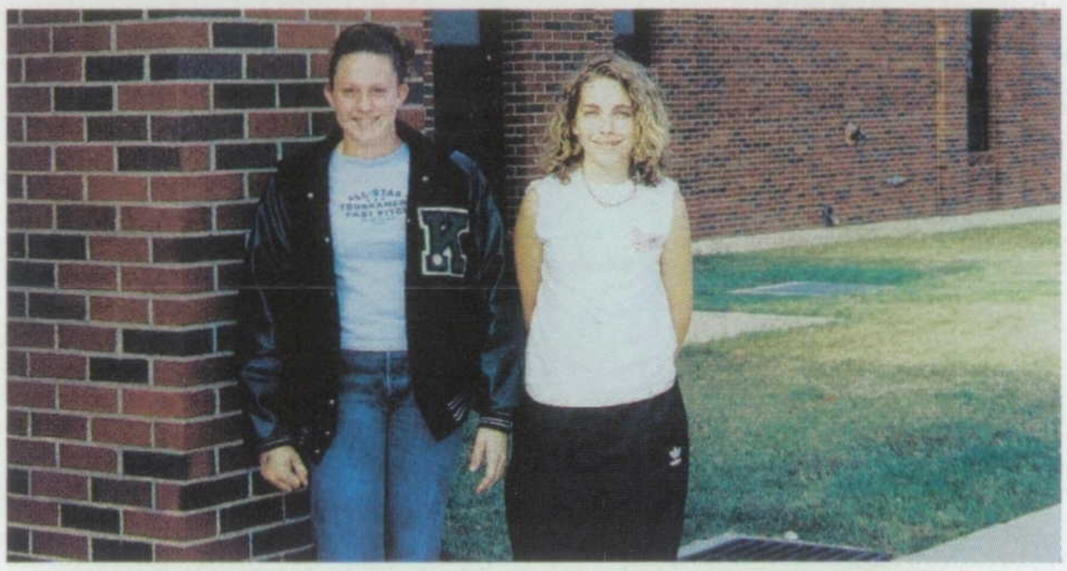

Natalie Whatley & Kaleigh Cantrell have original style.

Each time the bell rang, students strolled through the halls sporting their idea of fashion as an avenue for self-expression. Many students decided what they would wear for the day based on comfort, the way they felt, or what classes they had. Light & dark denim pants, cool-statement t-shirts, leather, & clunky shoes were among the favorites. According to many students, Old Navy, The Gap, Banana Republic, and Gadzooks were among their top places to shop. Regardless of where they shopped or what they wore, students turned their clothing preferences into their own unique style.

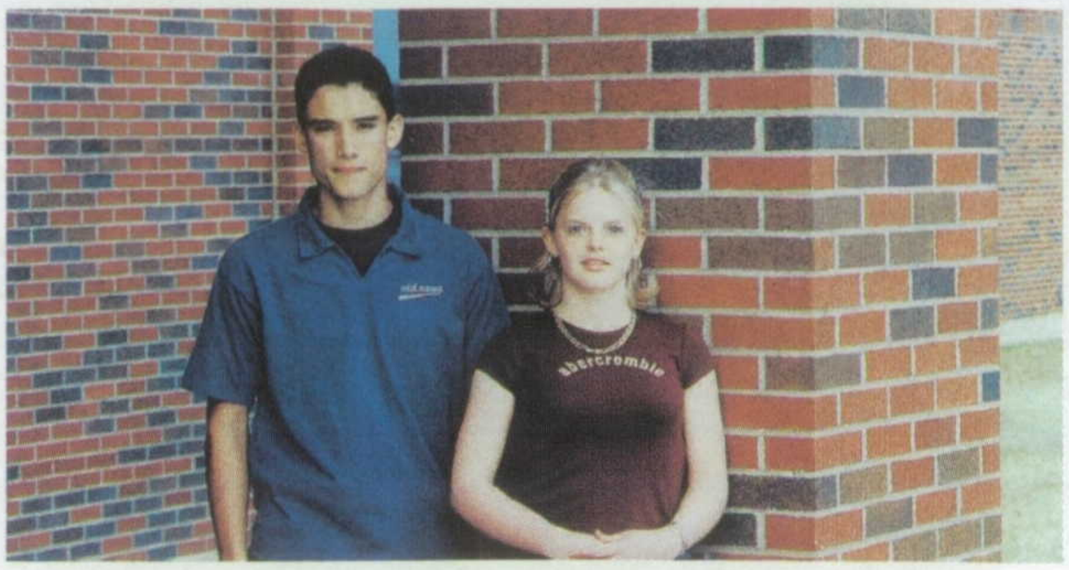

Aubrey O'Brien, Tammy Williamson, & Vanessa Fuentes show off their preppy style.

Jamie Thompson and Lauren Furman show off their athleticism through their clothes.

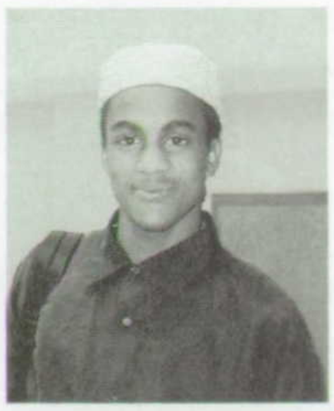

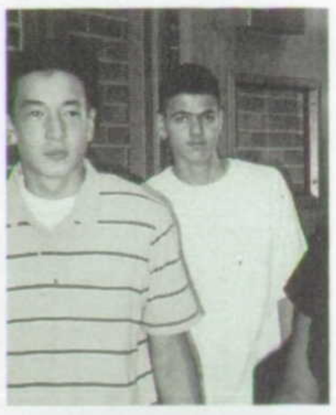

Mark Larue, Tolina Murray, & John Lavassaur wear gothic clothes to show off their originality..

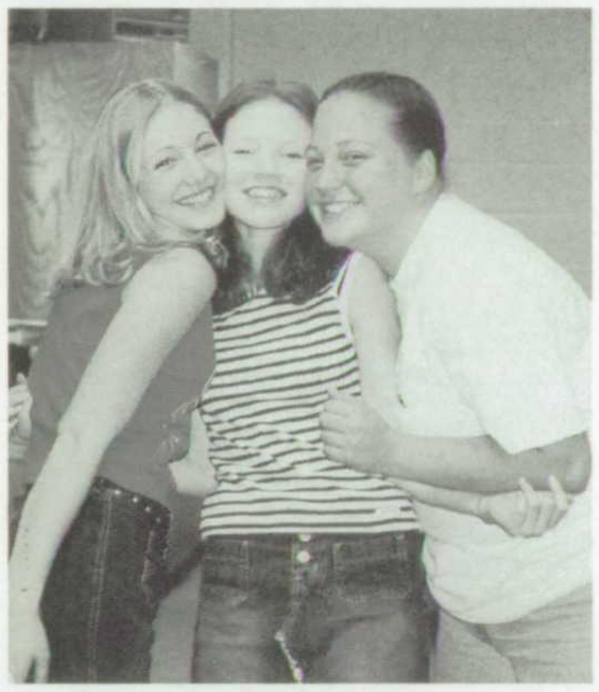

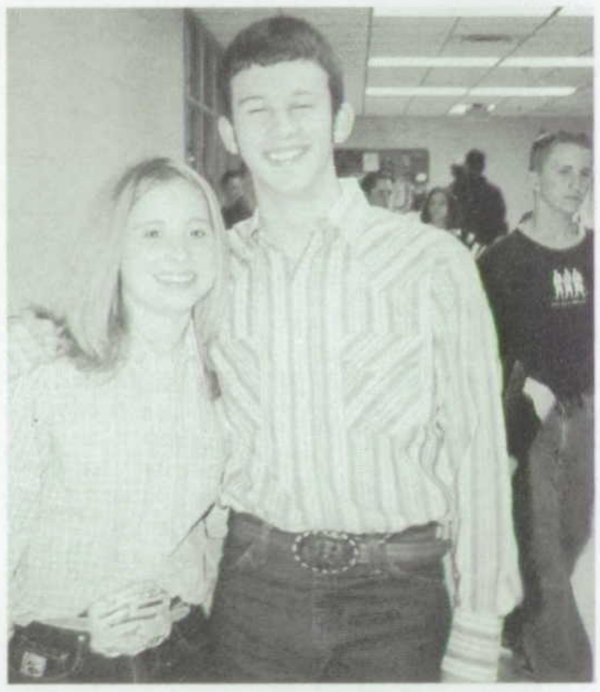

Troy Evans and Amanda Armstrong show off their favorite brands.

Kennedale High School Club Time:

Clubs & Organizations form an integral, interesting, & helpful part of student life at KHS. This year began with renewed enthusiasm as members, old & new, met, elected officers, & decided on goals, fund-raisers, & other meaningful activities.

Two of the main school organizations, NHS & STUDENT COUNCIL, were involved in several important school functions to get the school year off to a great start . First, the Student Council organized the Homecoming activities - counting homecoming ballots & monitoring & judging the hall-decorating contest. Their leadership helped make homecoming more special. NHS members were involved in many projects which aided both the school & community.. Some of their 2001-2002 activities included: The scholarship auction, the school board dinner, Project Linus, & teacher appreciation activities. Both groups are to be commended for their time, dedication, & hard work.

As UIL participants, KHS students are given the opportunity to showcase their talents by competing in meets with other schools. At the District Meet this year, 13 students honored not only themselves but KHS as well They received medals & ribbons in their events. In addition, 7 students advanced to Region. This helps show KHS's commitment to acheiving academic excellence.

Several organizations such as FBLA, Crime Stoppers, SADD & PAL offered memberships to students interested in the world of business & community improvement. Several members placed in the District: Laura Reher was elected Vice-president of District XI, Leslie Flymm was elected outstanding FBLA Member at KHS. Crime stoppers helped make our campus safer & won awards such as State Campus Productivity for the greatest dollar amount recovered in a small school & State Campus Productivity for most cases cleared. Before the prom, they also encouraged peers to make the right decision regarding drug & alcohol use. Throughout the year SADD members volunteered at nursing homes & made posters for the halls regarding important life decisions that students face everyday, & members also worked with Jr. high & Elementary schools to help improve discipline & academics on their campuses. They also were involved in this years annual canned food drive, the Angel tree at Christmas, & volunteering at the Arlington library. Attending this years PAL conference in Austin was a real treat. At the conference they learned many new ways to help improve school life.

The focus of the FLC (FOREIGN LANGUAGE CLUB) is to heighten students' awareness of other cultures & to help them appreciate other languages & the contributions they've made to our society. Club members attended French & Spanish art exhibits, visited ethnically diverse restaurants, attended Spanish dance shows, & corresponded with pen-pals in Spanish-speaking countries.

The two KHS Publications are the school's yearbook "The Wildcat Track" & the school's newspaper "The Wildcat's Tale". Both have undergone several improvements & changes this year. "The Wildcat Track", under the sponsorship of Ms. Albright, has taken a more picture-oriented format so that all facets of KHS student life could be covered & shown. The staff of six worked hard to record both outstanding events as well as ordinary school life . With this goal in mind, we tried to include as many pictures of students as possible. The Wildcat 's Tale under the sponsorship of Mrs. Balthrop has gone from being just xeroxed paper to a "real" newspaper . The paper kept everyone up to date on monthly happenings.

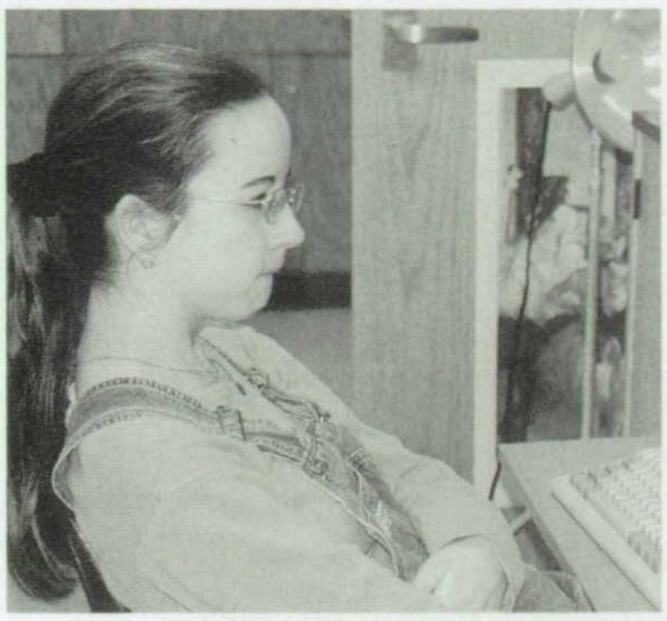

One group that always adds its own special kind of school spirit is the BAND. Theiy show their musical talent to the student body & the community as they perform entertaining half-time shows at the football games & have a leading part at the pep rallies. They 've been involved in some outstanding activities this year, including participating at the UTA Marching Festival, Birdville's Marching Contest, & the UIL Marching Contest, where they placed in 2nd Division. The members of this talented group are to be commended for their dedication . . . to long hours of practice to bring us great music. Working with them at many functions are the members of the COLOR GUARD. Their colorful flag routines added to the overall effect of the performances

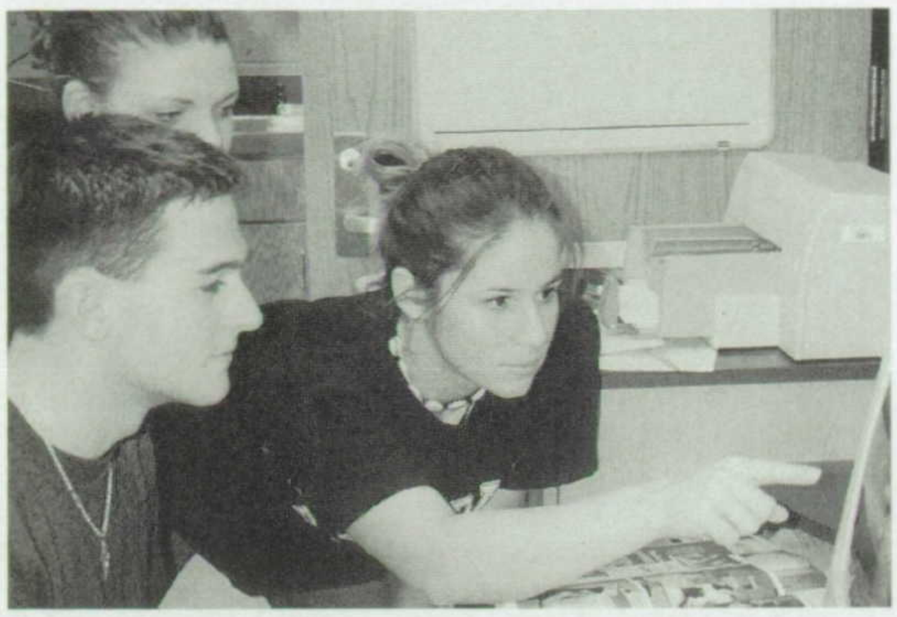

Including in the fine arts groups are the VARSITY CHOIR & the PIZZAZZ SHOW CHOIR, who have given excellent performances throughout the year. Showing off their talent, the choir presented music for parents, teachers, & students at both open houses. They also performed at the Christmas Concert with many traditional favorites. Mr. Mowles & CHOIR members have worked diligently to perfect their performances.

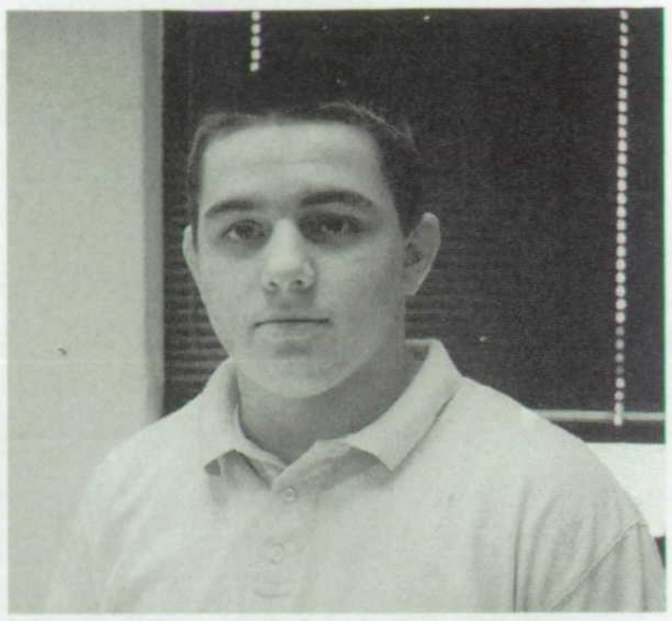

The highlight of the THESPIANS' performances this year was the spring musical "South Pacific." They got rave reviews for their outstanding acting, singing parts, & for the beautiful stage sets & backdrop. They also performed "Wings" for the UIL One-Act Play.. Their talents & love of the theater shows as they enthusiastically share their acting abilities to the audience.

The main purpose of the LIBRARY CLUB, is to focus on promoting the love of reading. Their fundraisers this year help helped to purchase library books to give to Mission Arlington during Christmas.

Clearly, this year the members of the various organizations have utilized their time & talents. In a meaningful way to improve the student body at Kennedale High School, to achieve meaningful community goals, to complete worthwhile projects, & to become better informed citizens of school and community. It's all about learning to work together with common interests, & our clubs and organizations have accomplished this,

Theatre

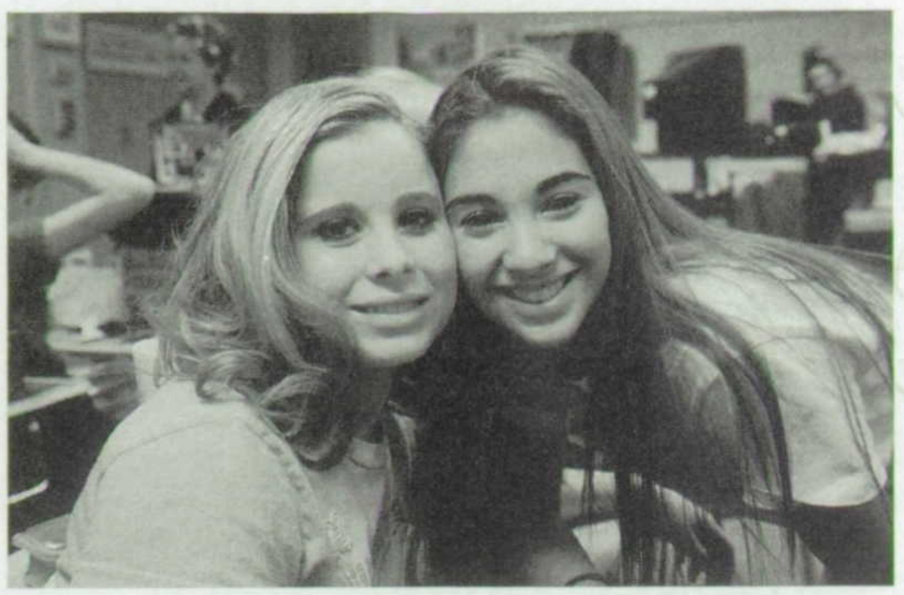

It was a busy yet successful year for the Theatre Department. Things started off with the Fine Arts Festival which the Theatre dept. was actively involved. They sponsored a face painting booth, & a car bash , which set the stage for the rest of the festival. The money raised went into funding for the Fall Play - a moving production of The Diary of Anne Frank. The entire Theatre Dept. took part in putting on the production, including the involvement of many first year theatre students. Following the show in November, work soon began on the Spring Musical, South Pacific. Due to the success of last year's musical, 100 students auditioned for South Pacific. In one busy month the show had been cast, choreographed, staged & had come together to become another unprecedented event:; the first Kennedale show to run for 3 nights. Placing 1st in District the UIL One - Act Play , cast & crew members bonded & create one of the most difficult productions in Kennedale history. The ensemble was awarded Alternate Advancing Play at Area Competition, & several individual honors were awarded . What a GREAT year!!!

With a new coach & an anticipation of a new start, the players approached the season with excitement & hopes of making it back to playoffs.. With the pending approach of the first game of the season there was excitement in the air of a long needed victory. The 1st victim to fall prey was the Kemp Yellow Jackets. As they worked towards Homecoming, the following of fans began to build. At Homecoming the Wildcats pounced on the Little Elm Lobos & finished the non-district season undefeated with a record of 5-0. Looking forward to district playoffs, the Cats preceded to pull the head off of the Eagles from Weatherford & defeathered them in a 2-night game. As district playoffs continued the Kennedale Wildcats improved week by week with the only setback from the Indians.

Finishing District 4-1, the Wildcats started the 3rd phase of the season. Playoffs here we come! During the playoffs the Wildcats achieved a new level of excellence that had not been seen before in Kennedale Football History. With the success of the 2001 Kennedale Football Team, new ground work had been laid for other teams to aspire to reach. This level of achievement will be the standard by which all teams are measured in the future.

"Our football season was very successful. We went farther in the playoffs this year than any other preceding year. By bringing in a new coaching staff & learning a brand new system, this change provided the best offense in Tarrant county. Playoffs were by far the greatest time I've had in my High School life. Winning a game is one of the best feelings a player can ever have. The best part of this season was the whole season & the great memories I'll have for the rest of my life. I 'll always remember my teammates & the fun we've had. The stories we told each other on the long road trips & the jokes we made after the games were always great. Learning to work together as a team allowed us success, & that was also another favorite part of the season."

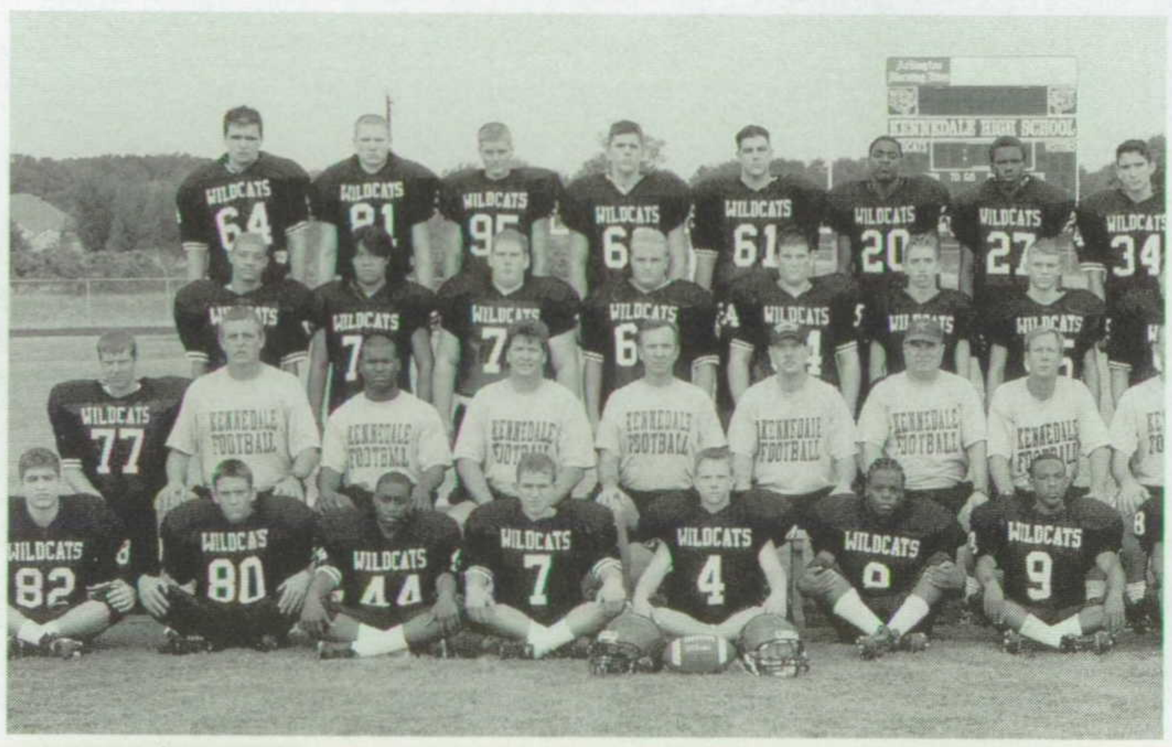

Matt Humiston

" This season in football was most likely the best in Kennedale's history. We became a close -knit team. Every player trusted the guy next to him to get the job done. We played to the best of our ability & succeeded beyond all our skeptics' beliefs. I believe that this season we proved the Kennedale Wildcats are the team to beat."

This year in cross country the team ran their hearts out & gained a lot of experience. Justin Gerron, a returning Senior, led the boys' team. On the other hand, Laura Reher, a returning junior, led the girls' team. There were also several other returning juniors & sophomores, such as Jordan Stone, Katie Brizendine, Steven Boyle, & Jeff Brum Boyle, who contributed a lot to the team. Several talented freshman joined the Cross Country team this year, adding to the diverse mixture of runners. Mike Smith &Laci Law, freshmen, showed off their rookie talent. Lauren Furman, Bridget Bishop, & Taryn Bishop, freshmen, also got a good start in running. Though practices were at 6:30 every morning, all of these dedicated runners showed up to run anywhere from 1 - 6 miles or to do a speed workout. Even though the workouts were grueling, everyone worked hard & improved their times greatly. Although Cross Country is not a popular sport, it takes just as much dedication & time as any other sport.

Quotes

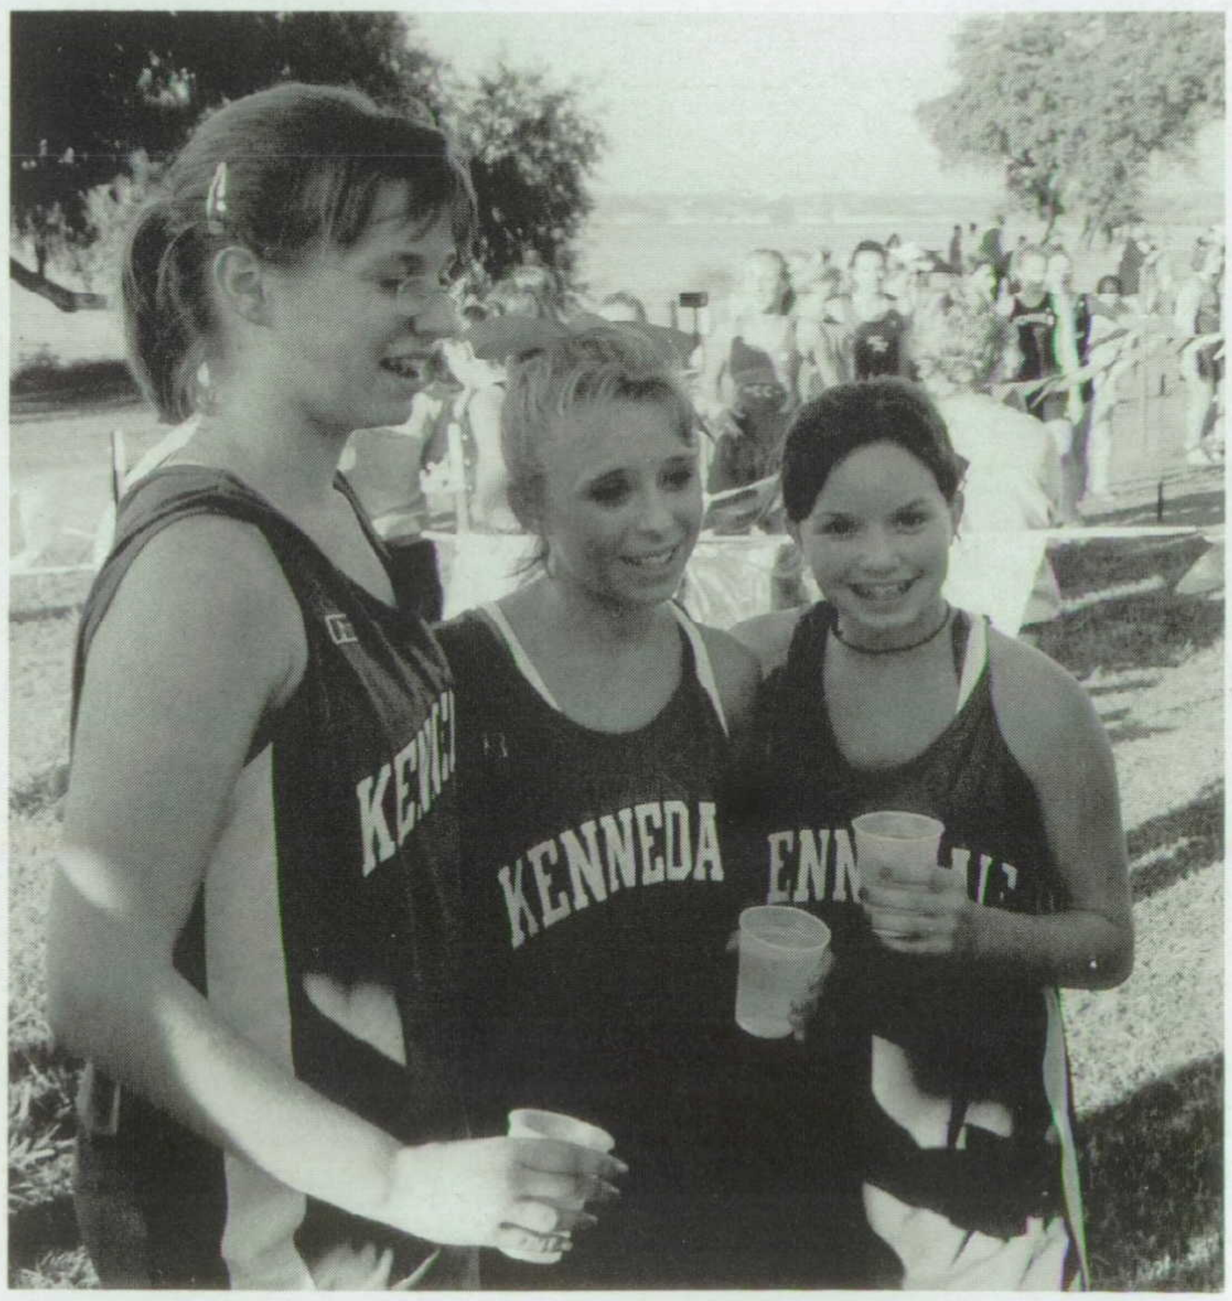

Laura Reher

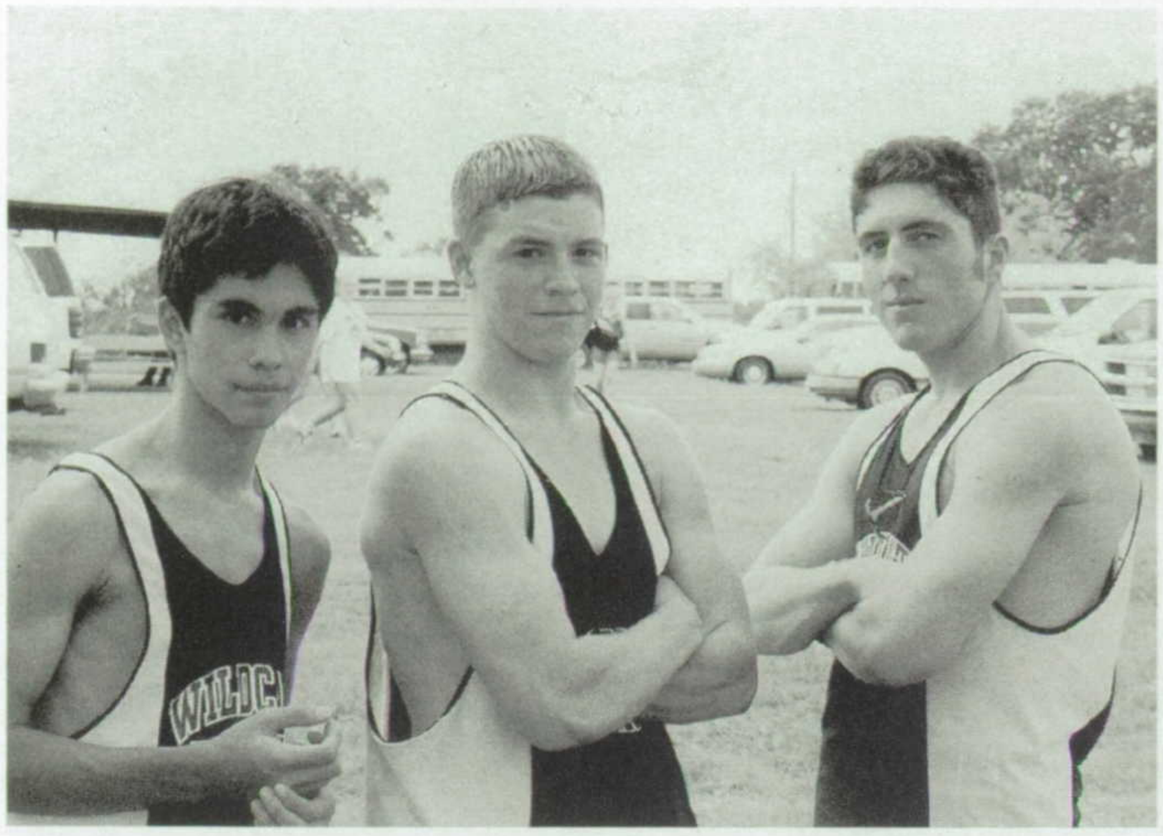

"This was a year of growth for our team. Every one worked hard and gained a lot of experience. The best part of this year was at the district meet when we really came together as a team (or the time when the electricity was out and we couldn't practice)."

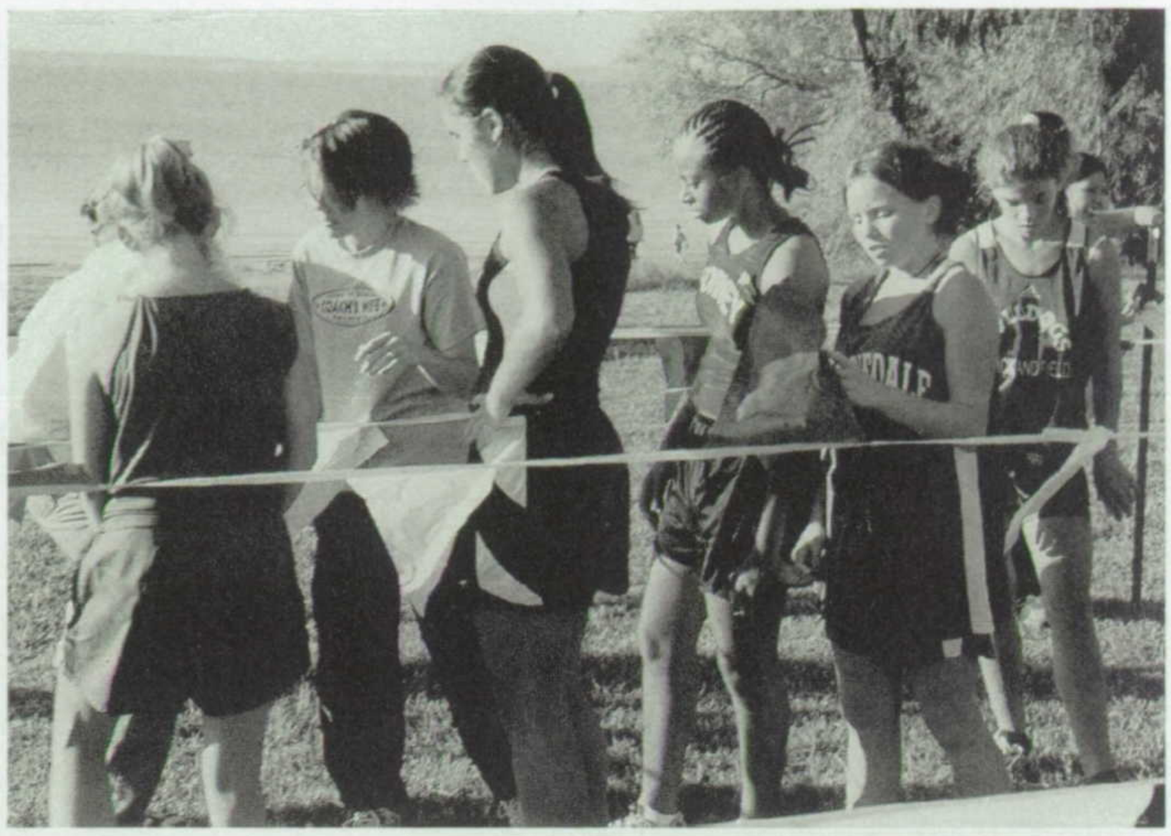

Mike Smith

"The best part of the season was district. We acted more like a team."

The 2001-2002 Hoop Squad began the basketball season hoping to accomplish something that very few teams ever accomplish - to qualify for the basketball playoffs for the 5th straight year. By the end of the season, this goal became a reality as the Wildcats captured the District 8-AAA Championship & a birth in the TX. State Basketball Playoffs.

The Wildcats were led by Junior Rocky Smith (District 8-AAA Offensive Player of the Year) & Seniors Marc Whitcomb (1st Team All-District) & T.J. Morris (First Team All-District). Other team members included Seniors LeRon Warren, Alex Jiles, Josh Lanfear, & Trey Garland; Juniors Chris Jiles (2nd Team All-District), Jason Tomlinson (2nd Team All-District), & Courtney Twine; and Sophomore Chris Morris.

Jason Tomlinson
"I think this season ended a little short but we are gonna' go off next year!"

Marc Whitcomb
"This season was one of the best seasons I've had. It was a lot of fun being coached by Coach King as he helped us come together as a team. We found out that we had a lot of talent. The best part of this season was knowing that we had won first place in district & that we would be going to playoffs. We deserved it because we worked really hard for it day in & day out."

"Cheerleading was awesome this year. We had fun learning to work together in stunts & striving to do well at Nationals. The best part of the season was being given the opportunity to cheer our boys on as they continued advancing in the playoffs. It was exciting to be part of Kennedale football history."

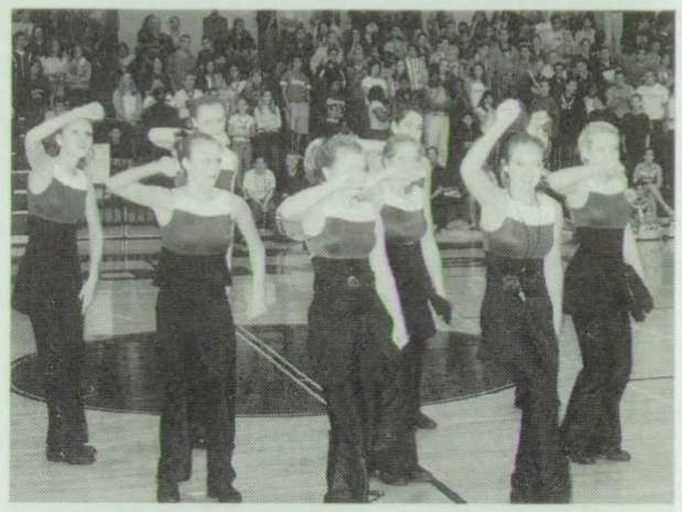

For the 1st time in Kennedale's history, the Kennedale Cheerleaders competed in the Nat. Cheerleader Competition. To compete at nationals, a bid must be earned & our girls received a bid at N.C.A. camp last summer. The competition squad was made up of the JV & Varsity Squad combined. They performed skills at the elite level at the competition. At the N.C.A. camp, the girls also received the Herkie Team Award, All-Around Superior Ribbons, All-Around All-American Nominations, Champion Chant, Top Team Nomination, & the Spirit Stick. Our cheerleaders look great & really make a difference.

Regina Gassiot
"I think that this season was great, & full of good experiences; play off games, nationals, even cheerleading held a lot of good things for the Varsity team."
Sarah Bullard
"I think the best part of this season was the friendship & closeness we all had together as a squad. We all bonded together & got along. On the bus rides we would always talk & laugh."
Jessica Sheets
" Our girls worked hard & dedicated all they had to the team. We all bonded instantly which made things run more smoothly. The best part of this season was having the opportunity to cheer on such an awesome football team as they went so far in the season! Congrats boys!"

"I believe we had an awesome season in drill team filled with exciting pep rallies, thrilling football games, great friendships, and definitely improvements all around. The best part of this season was the playoffs. They were so exciting to participate in, especially dancing on the field which gave us more opportunity to perform."

Amy Hinkleman
"This season in drill team has been one of my greatest high school experiences. I have enjoyed every moment of it. We set out goals and succeeded at accomplishing those goals. I'm very proud of all the girls and our wonderful coach."

Windy Smith
"This year we set some distinctive goals to push us through the season. We successfully fulfilled them all. We wanted our dances to be more technical, to have better music, a bigger turn out for the tryouts, and appreciation from our audiences. We were so close-knit; we loved each other like sisters. We became best friends through the season and I won't forget them."

Brooke Nelson
"This year was really good. We had a great coach who turned us into an awesome team. I'm looking forward to being an officer and having a big squad. The best part of the season was being able to go to all the playoff games."

This year the Drill Team reached their goals as they danced their way through the football season at pep rallies and at games. They were led by Coach Brunson, Team Captain Aubrey O'Brien, and Co-Captain Amy Hinkleman. They gained a lot of skill and looked a lot better than they ever have before. Though they did not compete at competition this year, they still shined through their performances. Through their hard work and cooperation with each other they paved the way for the future Drill Teams of Kennedale High School. Each and every member is looking forward to next year's squad, which should be the biggest squad ever.

"This season in the step team was a great experience. I think the Step Team represented a perfect way to show spirit using a new approach. I definitely think the best part of this season was the fun the steppers had performing. We really had a chance to hang out with our friends & have a good time."

Afia Asare

"I think it was good to be a part of something new that most people at KHS hadn't experienced before. It was fun getting to know some of the girls. The best part was our first performance. I was so full of energy & the crowd was really hyped to see something different ' for a change."

LEFT: The girls prepare to duck & swing. RIGHT: The crowd cheered on as the girls stepped with a lot of rhythm. BELOW: All of the girls got together for a group picture.

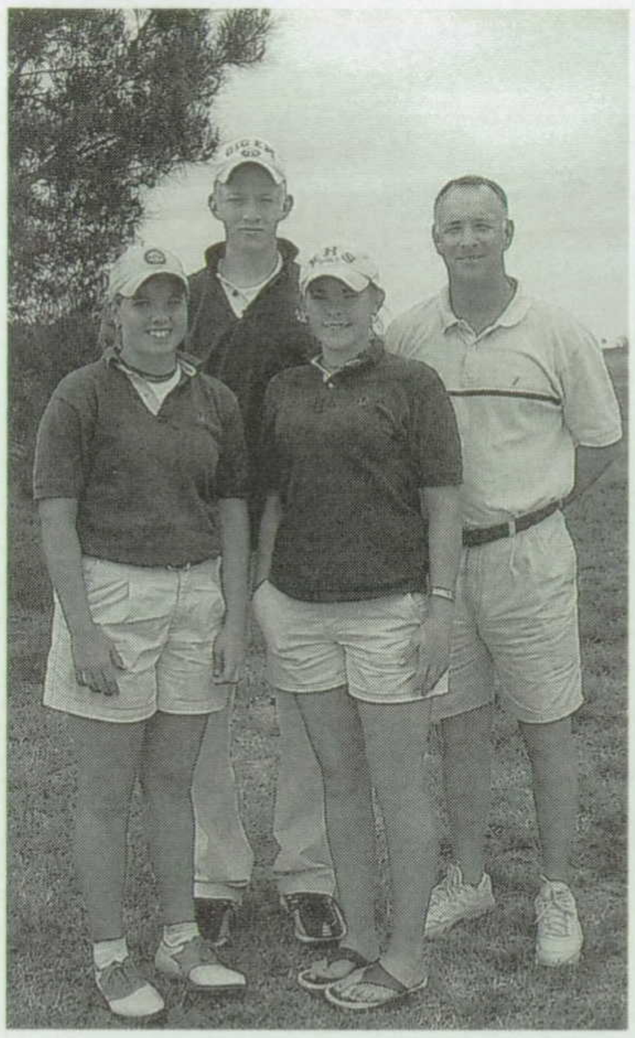

The 2001 season brought about the formation of the KHS Step Team, a group of rhythmically inclined individuals sponsored by Mrs. Williams & Mrs. Britton. This year Kennedale had it's first ever step team. It added a lot of excitement & spirit to our school. Everyone enjoyed the girls' stepping or dancing to the rhythmic beat.

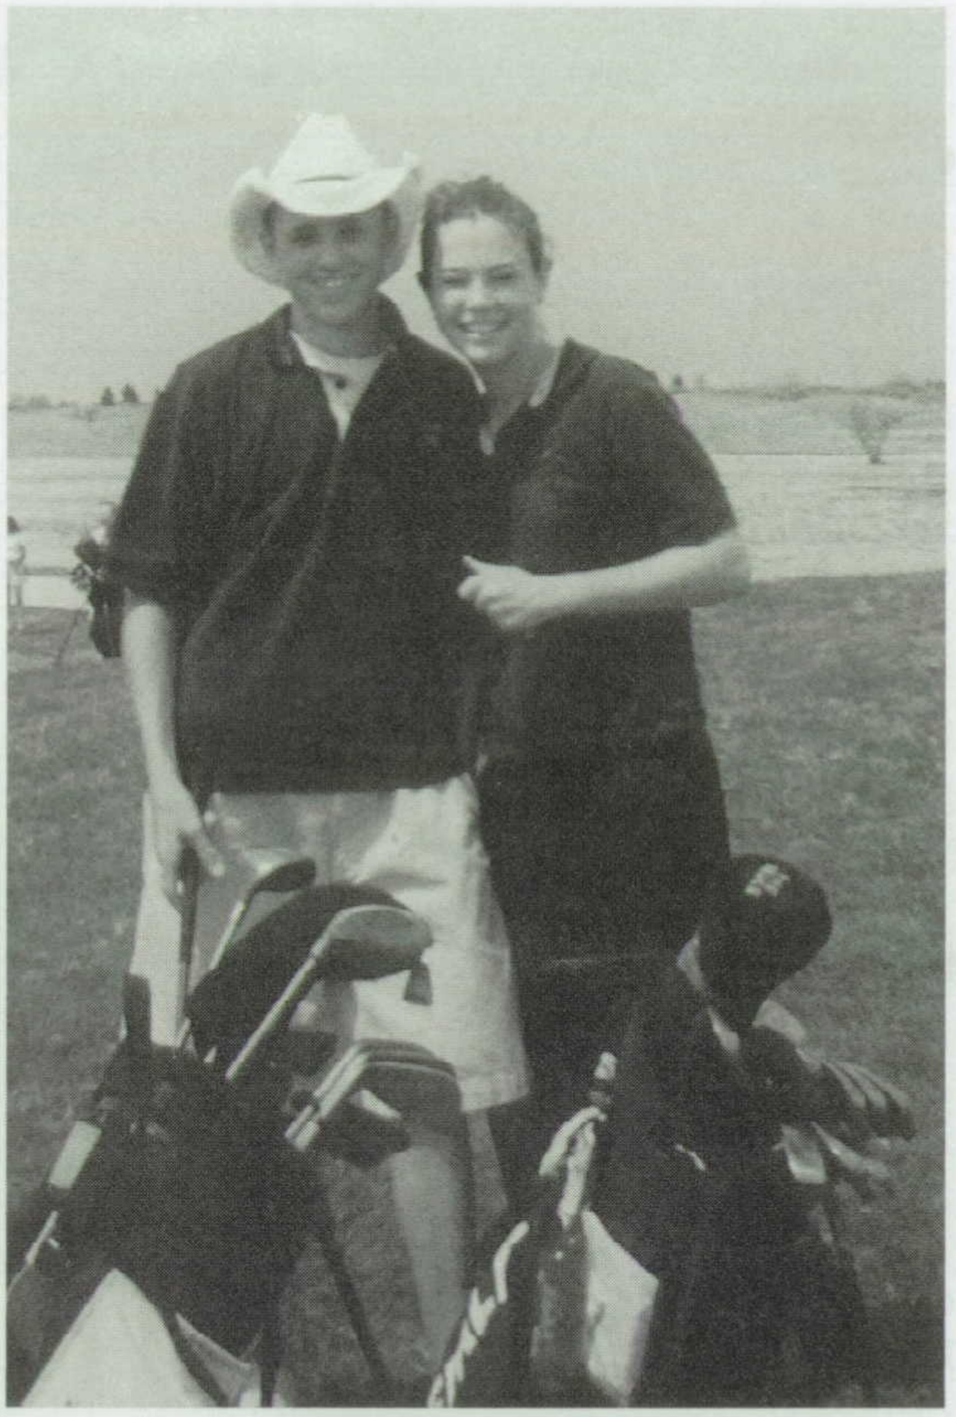

Each week, the team performed at the pep rallies, getting the student body energized. The girls, comprising the first step team wanted to create a supplemental group to the long running drill team. Each week, the girls created a performance set to a different medley of R & B music with brand new dance moves and some classic step moves. Their great success this year holds promise for growth, popularity & new levels of achievement.

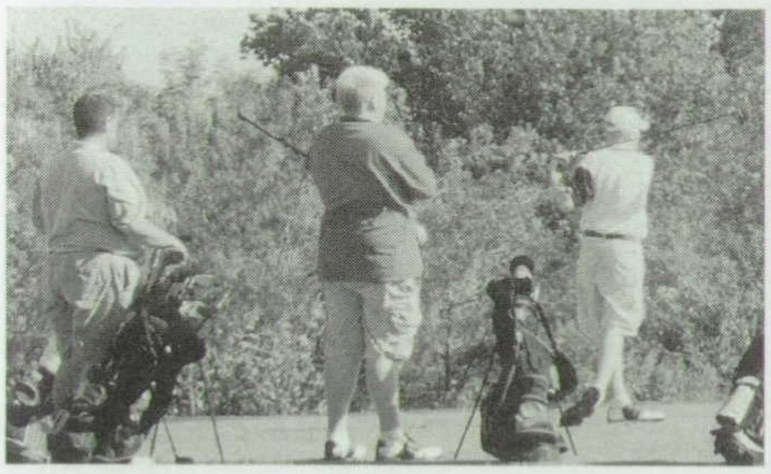

This year's Golf Teams did a spectacular job with the help of Coach Solomon. They were led by seniors Geoff Whightsil, Audra Harless, & Jessica Donaldson. The team swept the district tournament, winning the individual, girls team, and boys team titles. They then went to Odessa, where they competed with other schools & performed amazingly. This truly became a successful season.

The Boy's and Girl's Teams were District Champs. Dan Dolan was named 2nd All-District. Geoff Whightsil was named 5th All-District. Chase Johnson was named 6th All-District. "We had a great season in golf this year. The girls team improved a great deal from the fall season to the spring season. Three of our girls were brand new to the sport and two others had only been playing for about a year. All of our hard work and dedication paid off when it needed to! The best part of the season was winning district all around: Individually, Girls and Guys Varsity. It was a great feeling to end my four years that way. Our region trip to Odessa was also a great time for the team. I was proud of our finish."

Brook Jowers"The girls have come a long way from the beginning of the year. We have 3 new girls that have made a big difference for the girls' team. The best part of this year was being called district champs & being a part of that winning team. Next year I'm looking forward to winning district for the 5th year in a row."

The 2001-2002 Kennedale Wildcats Power lifting Team did well this year. The team consisted of 14 athletes. This was a big improvement from last years team of 4. They started a morning program in addition to the workouts they already had in their normal athletic period. With that, they improved their maxes in bench, squat, & dead lift. They participated in some really big meets, because the coaches felt like that was where the true competition was.

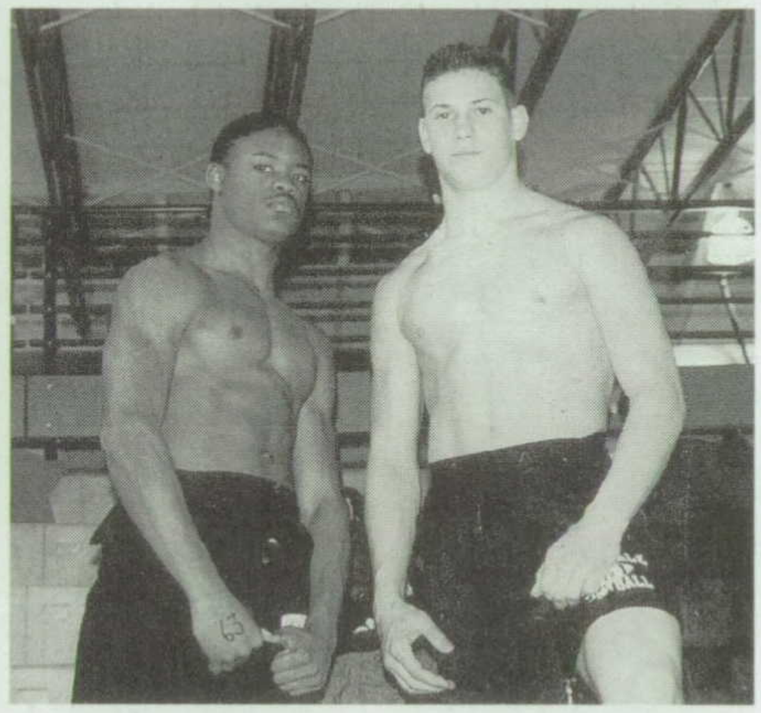

The scoring in Power lifting is much like the scoring at a track meet. You have 11 different weight classes that compete against one another. The weight classes consist of 114, 123, 132, 148, 165, 181, 198, 220, 242, 275, & super heavyweight. If a lifter places within the top 6 in the weight class then he/she will receive up to 7 points depending on the place the lifter finishes. At the end of the meet the team points are added up for a meet champion for the team.

All of the Power Lifting students' hard work paid off. Gary Petty, Eric Smith, John Douty, Xerxes Harper, and Brandon Cooper all made it to regional Xerxes Harper made it to State.

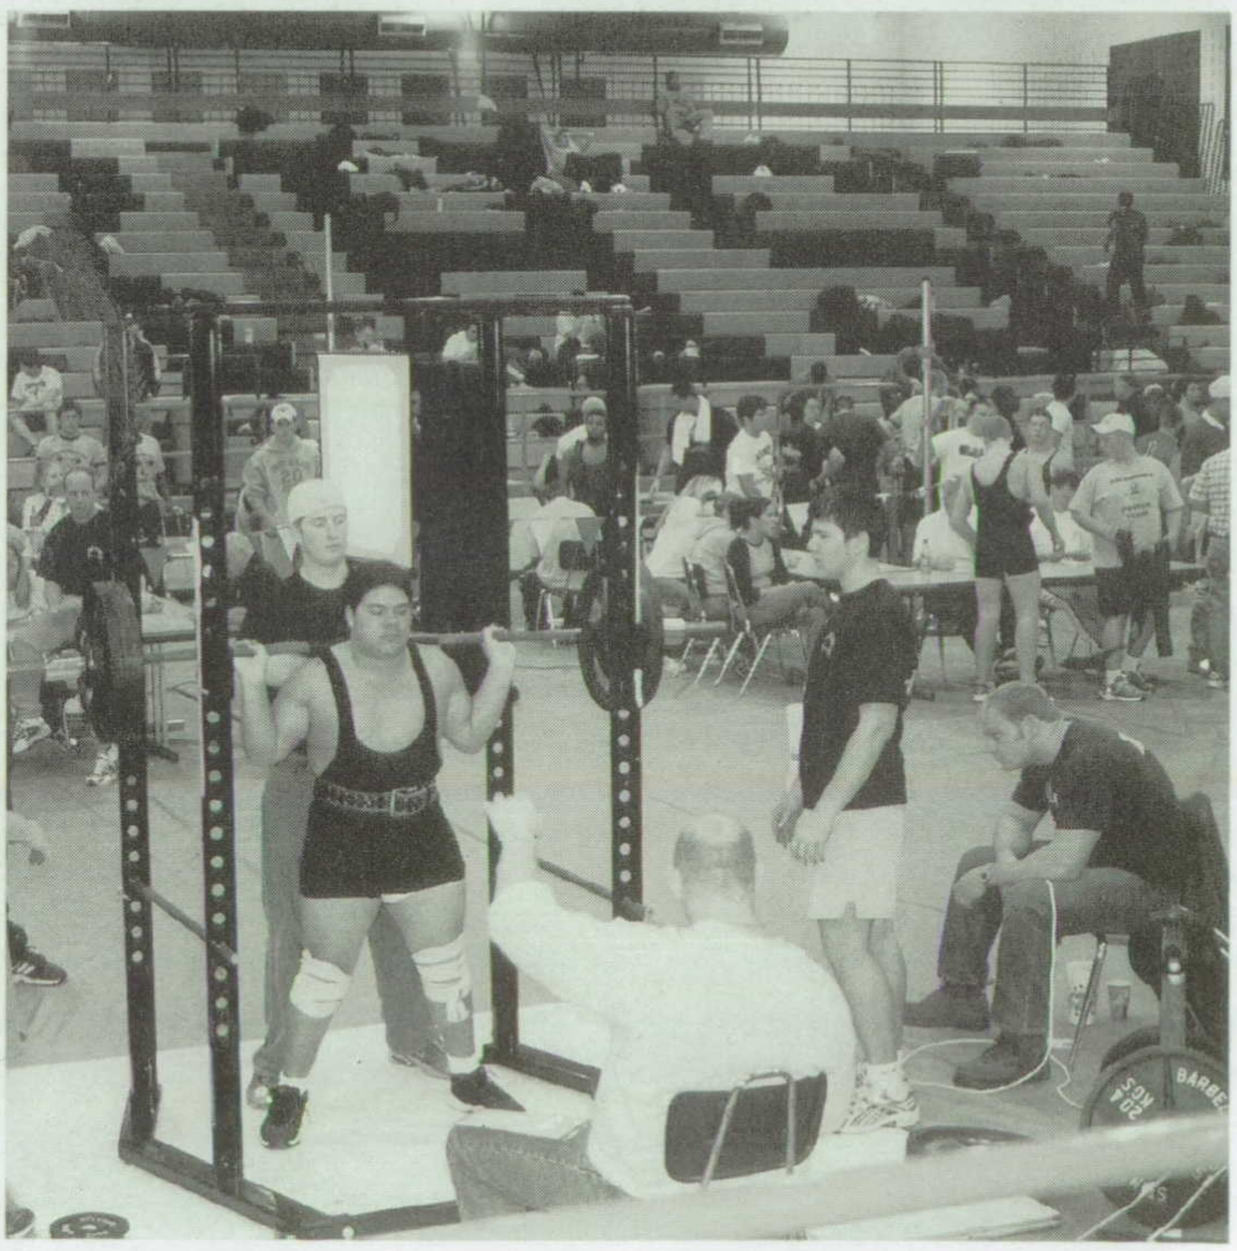

BELOW: Eric Smith is squatting. TOP RIGHT: Garrett McClendon is dead lifting. MIDDLE RIGHT: Xerxes Harper and Matt Humiston pose for a picture in-between events. BOTTOM LEFT: Garett McClendon, Eddie Arevalo, Brandon Cooper, Anthony Wickline, Jonathan High, A.J. TOP LEFT: Garry Petty does bench press. LEFT: Jonathan High squats. ABOVE: Matt Humiston squats with a look of determination on his face.
TOP RIGHT: Brandon Cooper dead lifts. MIDDLE RIGHT: John Douty squats down. BOTTOM RIGHT: A.J. Johnson dead lifts.

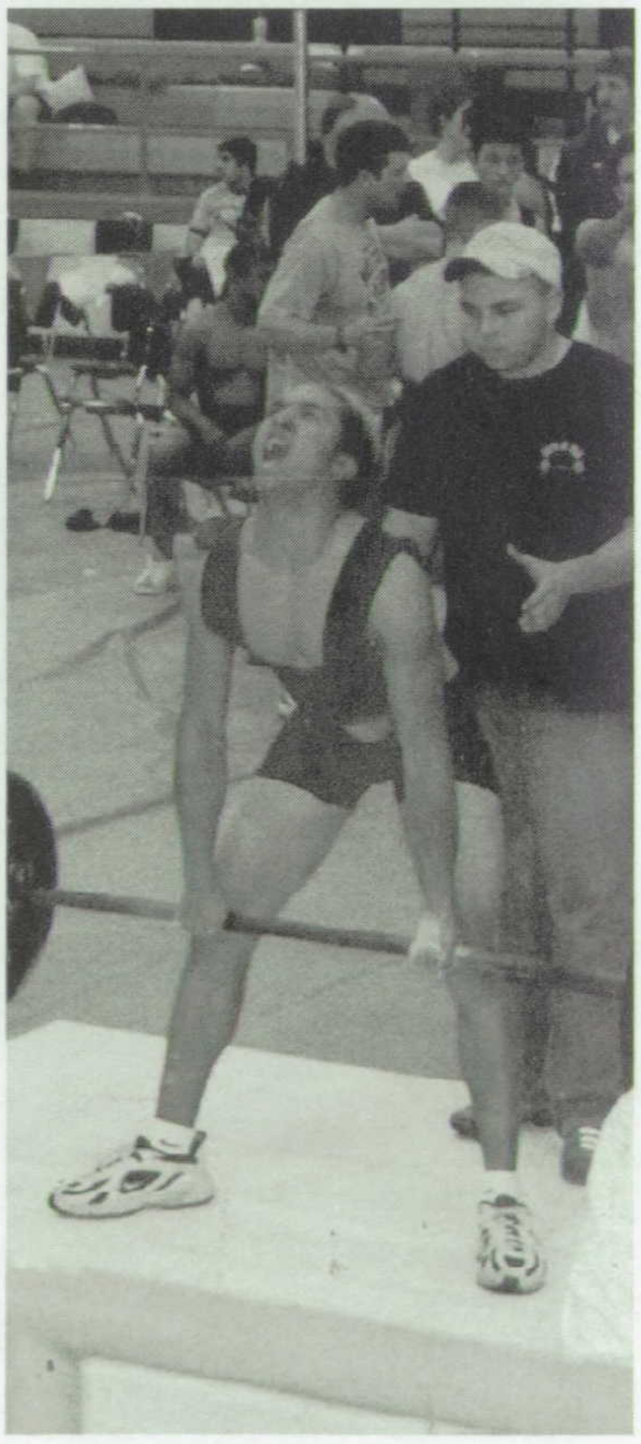

Gary Petty" We did a lot better than I expected, especially Rex."
Brandon Cooper "Power lifting in my opinion was very successful. Coach Polk, our new Coach, really encouraged all of the power lifters & any others to try their best to get stronger."

From the moment practice began in January, the Kennedale baseball coaches knew they had a special group of guys in their hands. "They like each other," Coach Trantham commented, claiming that their chemistry makes them work so well together.

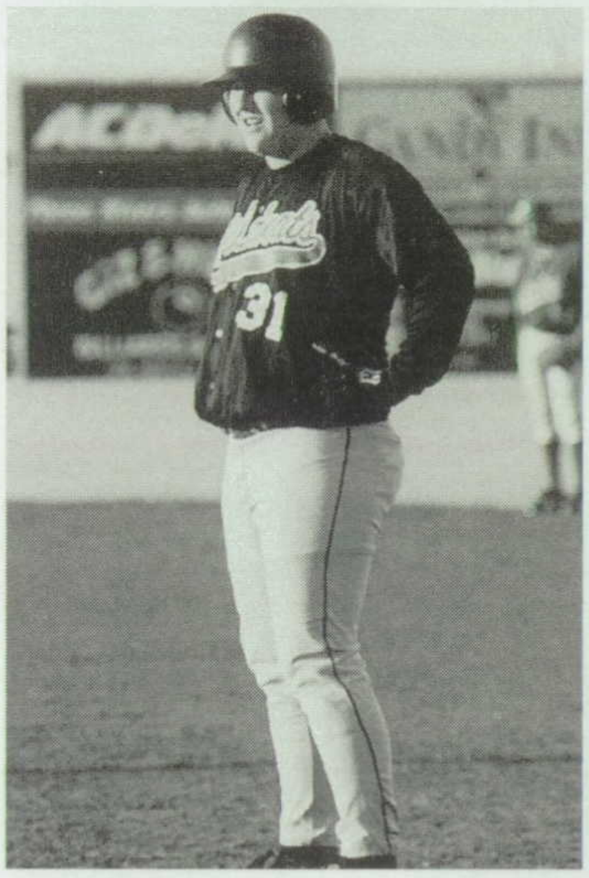

As the season began, after the annual Alumni Game, the baseball team quickly racked up numerous wins through pre-season tournaments. Their winning streak continued until the end of the regular season when the team came away with a record of 22-1, one of the best records of a team in Kennedale history.

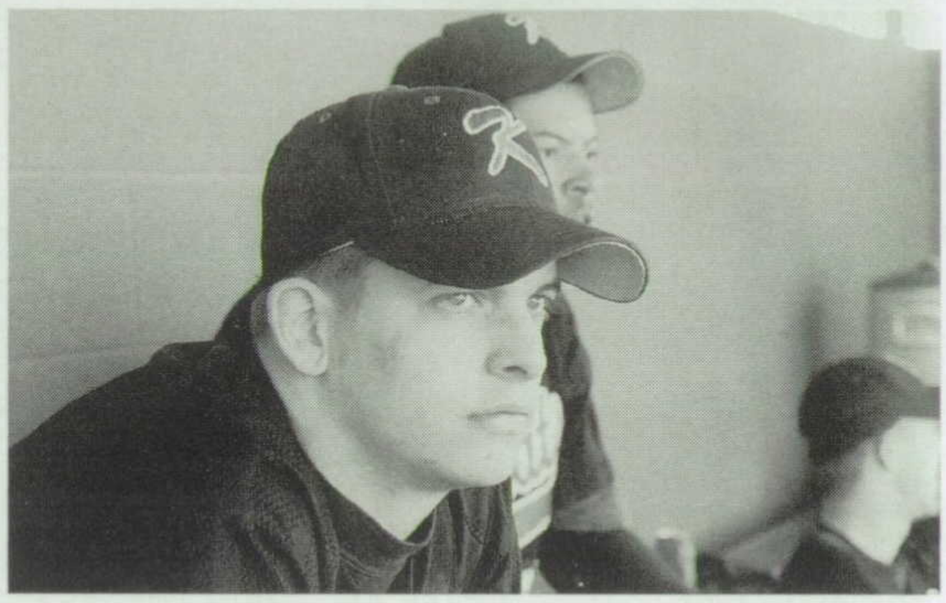

The members of the team eagerly awaited the beginning of the playoffs, hoping that they'd pass critics' expectations & reach the state tournament. After exciting wins against Iowa Park & Alvarado, the Wildcats reached the regional semifinals, where they faced the Monahans Lobos. Despite the battle they fought in the series, they were unable to continue towards state.

All in all, the Kennedale Wildcats had a successful 2002 season, achieving more than any team before them.

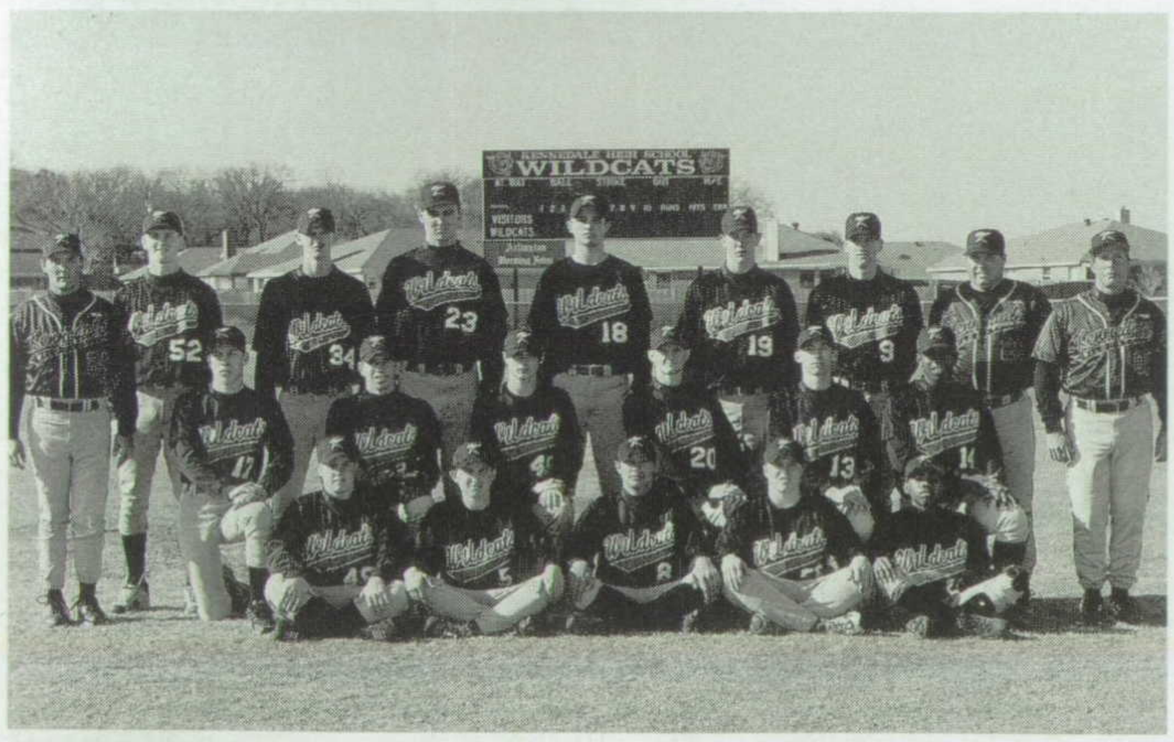

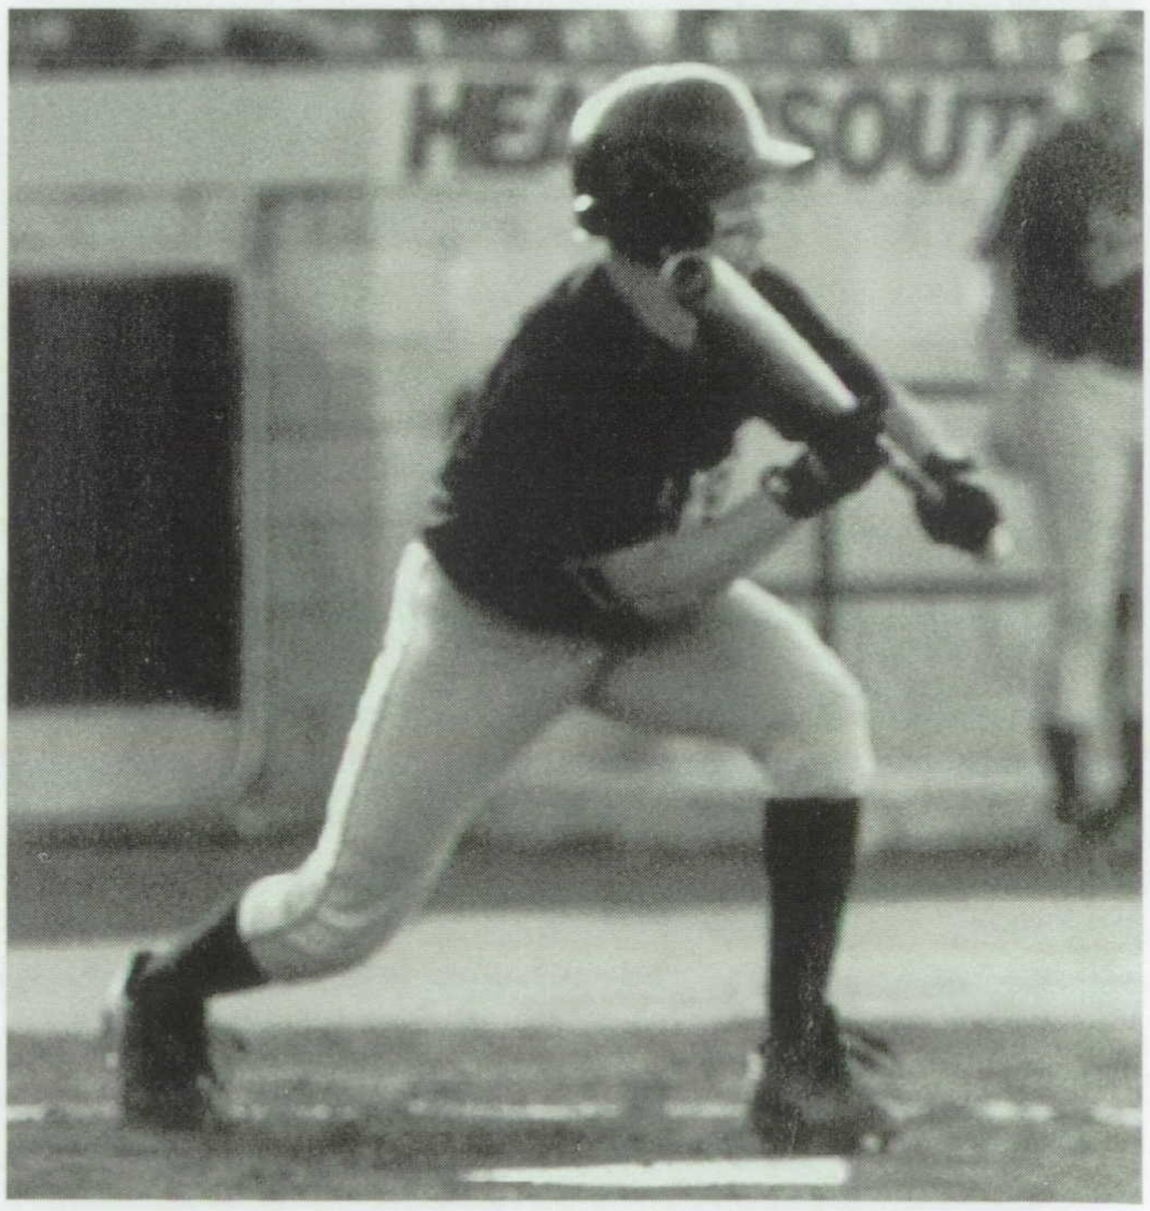

Landon Johnson
"We thought this would be our year to go all the way."
Jeremy Reagan
"We are good at playing baseball."

Drew Hampton
"Our hard work has really paid off. Everyone played their roles well, & we always expected ourselves to win. Because this is my senior year, I think it's important to go out with a strong finish & this is the best team Kennedale has had in a long time."

Track got off to a really good start right after basketball season with practices being held at four fifteen right after school. Speed work outs and extra conditioning in their work outs really helped them train to get as far as they possibly could. The experience of the returning coaches, Coach Clensay and Coach Dunsworth, with the addition of two new coaches, Coach Lawrence and Coach Polk, really helped the runners to gain their own experience and get a feel for their events. These two new coaches really made the difference and helped the team advance. This year in track they went as far as Regionals. There will be a lot of returning freshmen, sophomores, and juniors to next years team. Who knows how far they will go next year.

Matt Humiston

"I think that everyone is in better shape this season because the level of our work outs have elevated and our work ethic is much better. I believe that their will be a lot of people that will do better this year because we have a lot of guys who have the ability, but now have the heart and willpower. The best part of this season was seeing how far and how hard we could push ourselves."

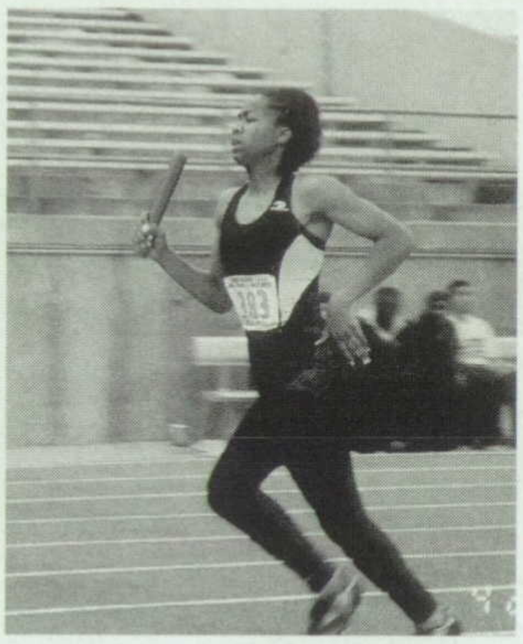

Track is a challenging sport. It is definitely one of those sports that takes pain tolerance. Practices began soon after the culmination of the basketball season, as track members new and old looked forward to a successful season. This year our Girls' Track Team went all the way to Regionals with one runner, Jordan Durham, advancing to State where she placed seventh in the 100 meter dash. They had a great season in track and every one is looking forward to the new district next year and to having more people on the team and more people making it to state.

Diana,
We have been friends for a long time. I can't even explain how great a friend you've been. You're always there when I'm feeling blue or when I need help. You're a sweet, smart, & pretty young lady. I hope you get what you want & I wish you the best of luck in the future. I hope you'll never forget me, which I'm sure you won't, because we'll always be the best of friends, will keep in touch & hang out. You'll always be in my heart. I love you!
Love, Lori (aka Loraine)

My dearest Shelby,
Before you were even born I knew you were the greatest gift the Lord had given me. Even though you are graduating high school you are still and always will be my baby. Being able to watch you grow into the lovely young lady you are has filled my life with great joy and lasting memories. With everything you have given my life, how could I ever ask for more?

Arliena Michelle Richards "Shelby"

You make a good role model for the younger generation and make the older generation proud. I know you will reach any goal you set for yourself because you are a committed person. Your loyalty goes unquestioned and it always will as long as you stay true to yourself as I know you will.

As you venture on in life, try not to forget how special you are and how much you mean to so many of us already. You are a wonderful person and your life holds so many good things for you, you'll see... All I really want you to know is I love you so very much and I am so very proud of you.

With all my heart, MOM

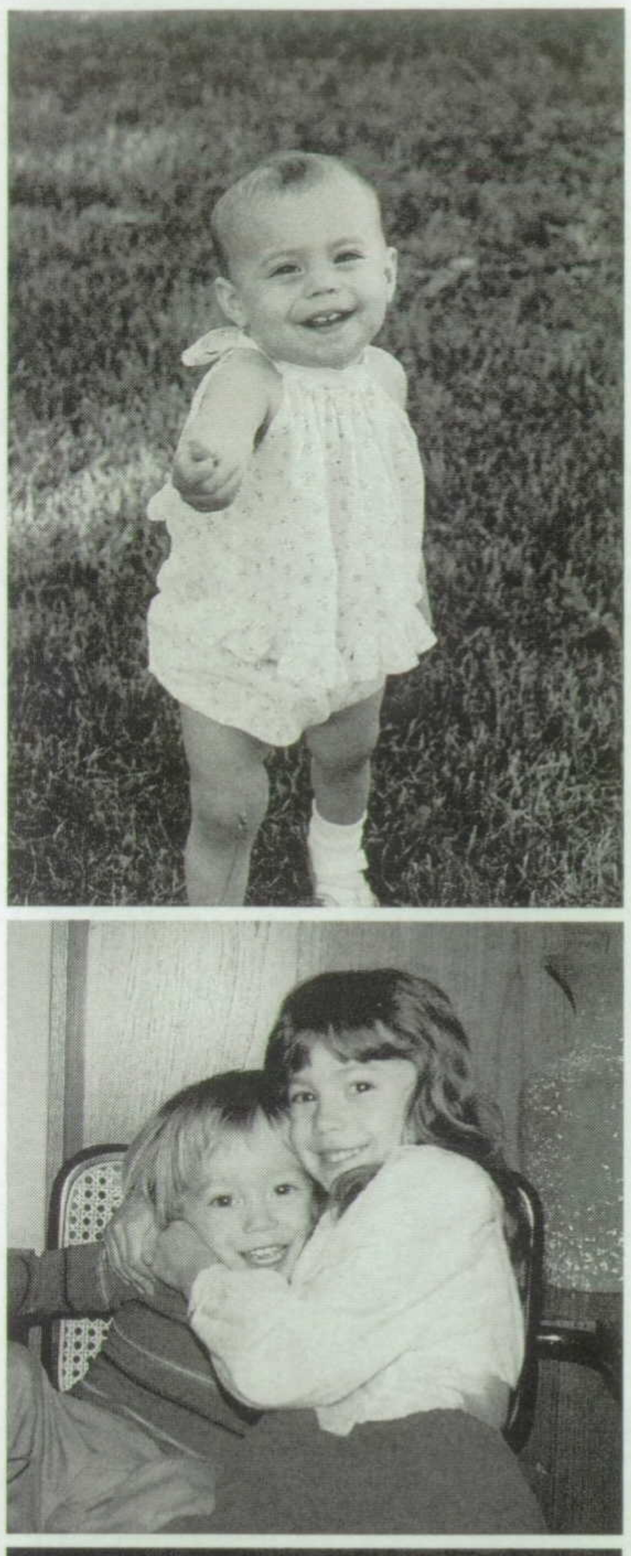

Nothing Gold Can Stay

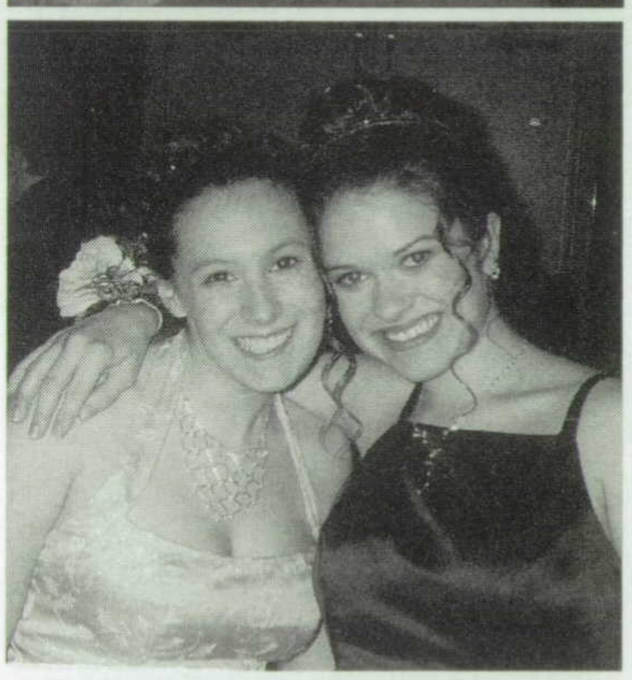

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

You are now embarking on a journey into an unfamiliar world. You have grown into an adult step by step, minute by minute, year by year.
The golden years of your childhood are now past you. It is now time to move forward but always look back at these golden years with fondness and happiness.
May all your hopes and dreams come true for the Class of 2002.

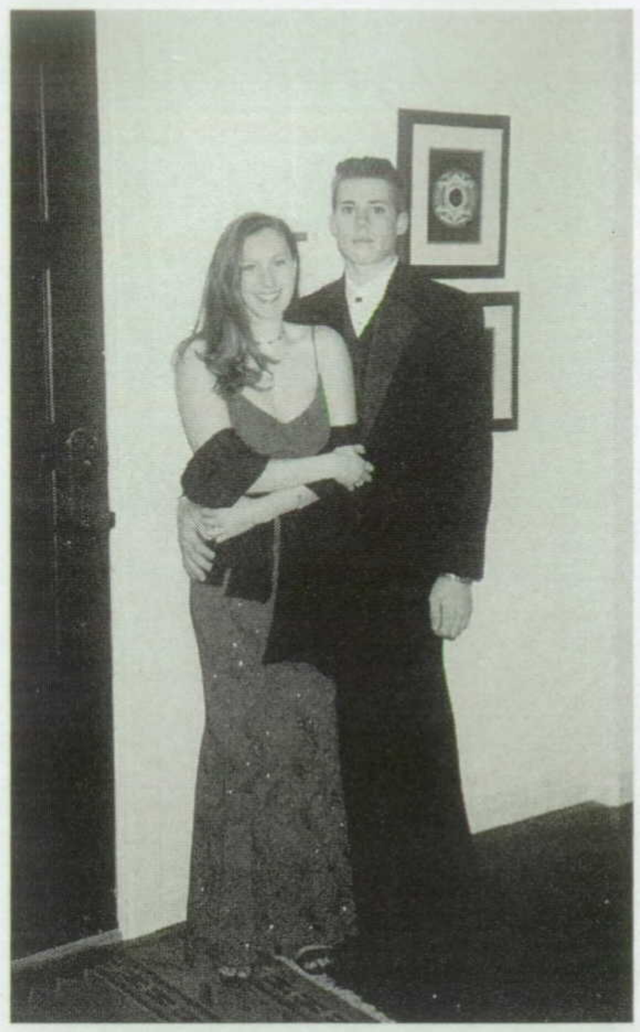

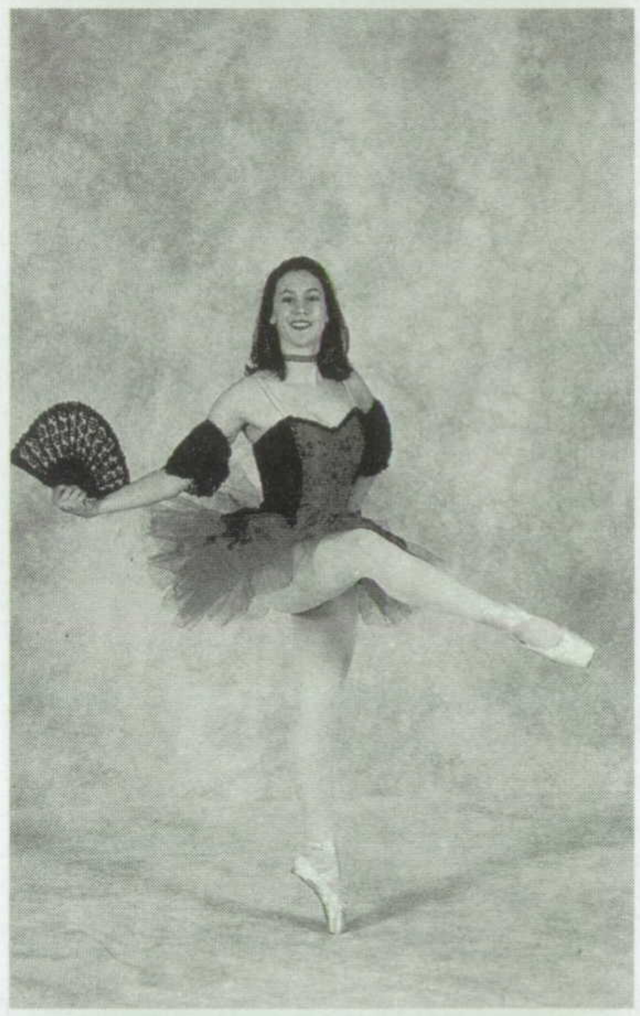

Aubra Vera

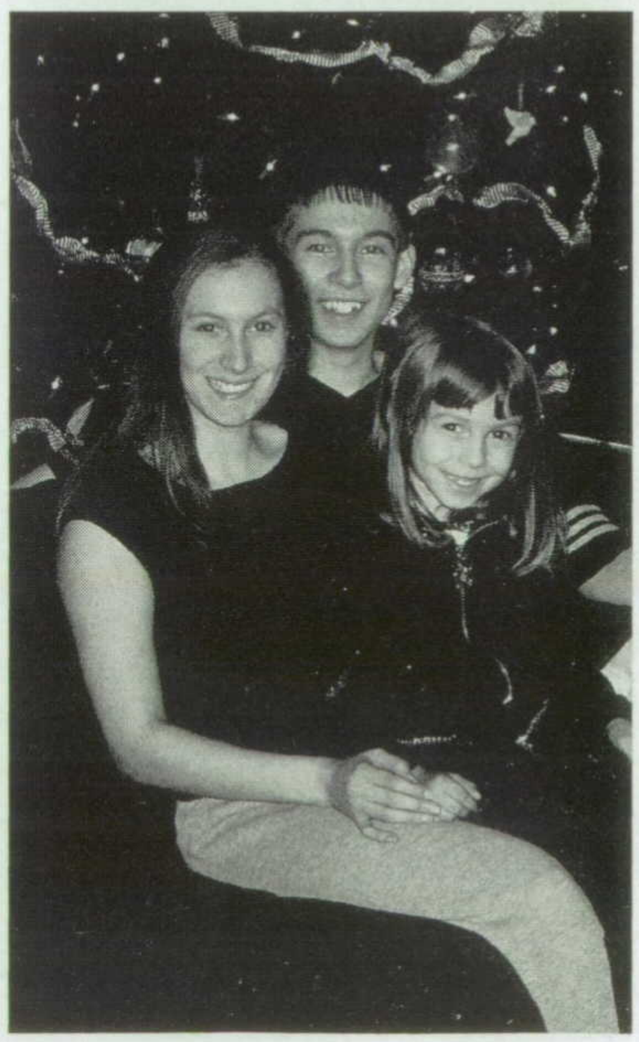

You are like a shining star that becomes more brilliant with each passing year. We are so proud of the beautiful, loving, intelligent young woman you've become. We feel lucky to have you in our lives. We know GOD will continue to guide you on your path!

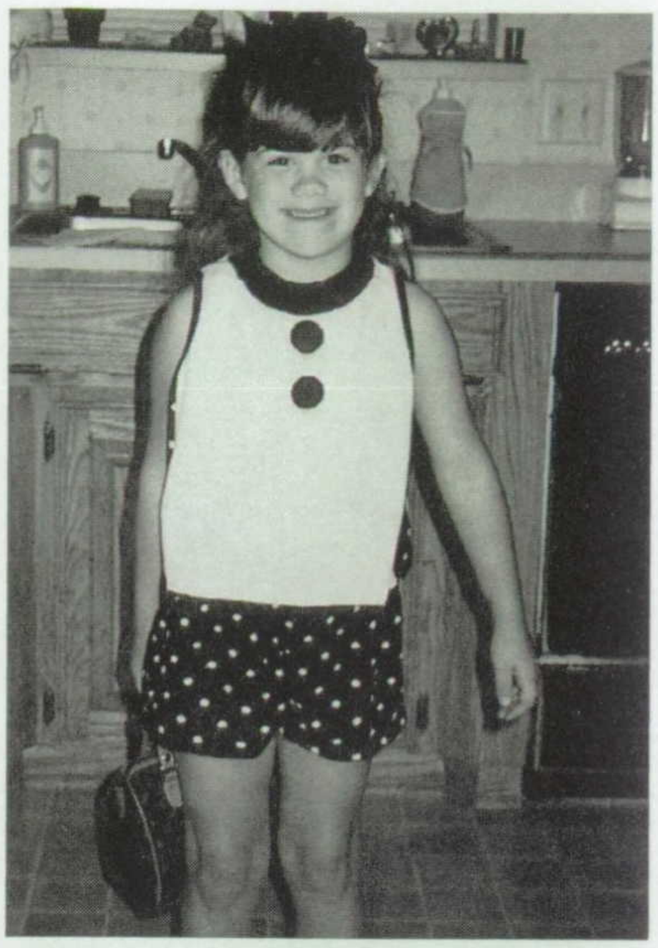

Those who are wise will shine like the brightness of the heavens, & those who lead many to righteousness, like the stars forever & ever Daniel 12:3

We Love You &

Natalie Whatley

Natalie,
Well, this is it! The end of "high school" - & your thought is "not a moment too soon." But, our thoughts are "Oh, please, not already!" & "It can't be; you're not really a senior!" & "Wait, don't go yet - we still want to have more fun!"

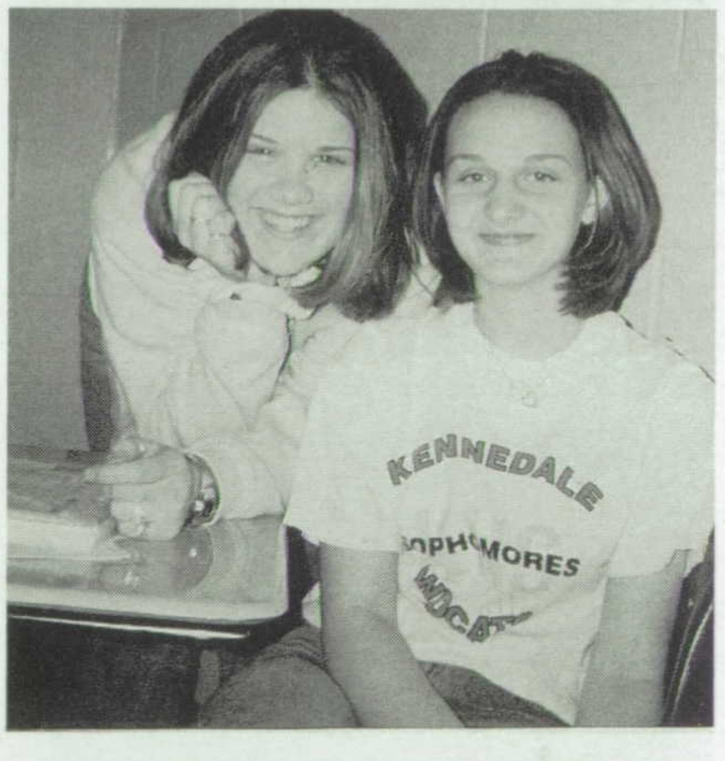

The truth is, we are so very proud of you & the beautiful person you have become, both inside & out. It has been awesome being at home for you your Senior year. What a blessing from GOD!

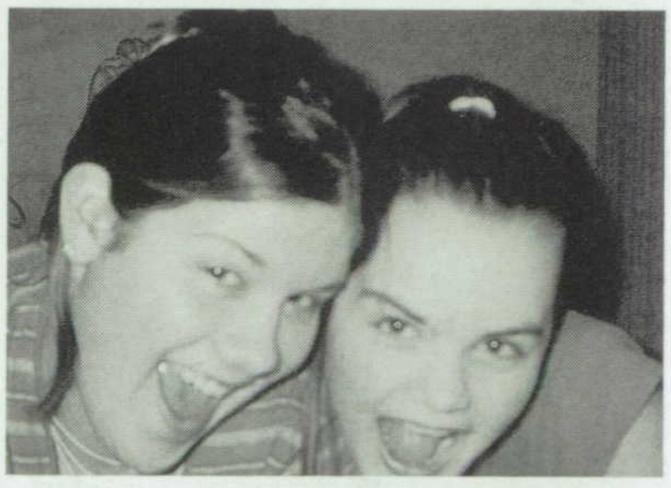

The years have been special for us - Frogs, Gerber Daisies, Theatre, Hair Changes, MANY shoes, including 48 pairs of flip flops (YIKES!), fashion statements, yellow anything, vehicle preferences, your awesome faith & dependence on GOD!

We have every confidence that you will go on to be all that GOD has planned for you. He keeps His promises - His love never fails! (1 Cor 13:8). You can always count on His love. As you go off to college, remember dad & I will always be here for you, but even more, remember your Heavenly Father is always with you!! Count on Him! He is faithful!!
Go Git Um, Sandra! (THE next Sandra Bullock!)
Love you,XOXO

Dear April (Hunny Bunny),
As a small child, you looked ahead & thought it was "forever" before you could drive a car, date, work, & finish school. Now, as a young adult, you can look forward to attending college, meeting new friends, making it on your own, & pursuing a career. As you get older, you will find that time goes by fast. Make the most of every moment. If you stray, get back on track & just keep going!!
Congratulations on completing your first BIG milestone in life - HIGH SCHOOL GRADUATION! We know from your "job well done - over & above the call of duty " (Ms. VALEDICTORIAN!) from your school years, great things lie ahead for you. Follow where GOD leads you & you will not go wrong. Always remember you can count on your family FOREVER. Words cannot describe the happiness you have given - we are VERY proud of you!!! Hold your head up high & go get 'em in college!

Brandi Caughron

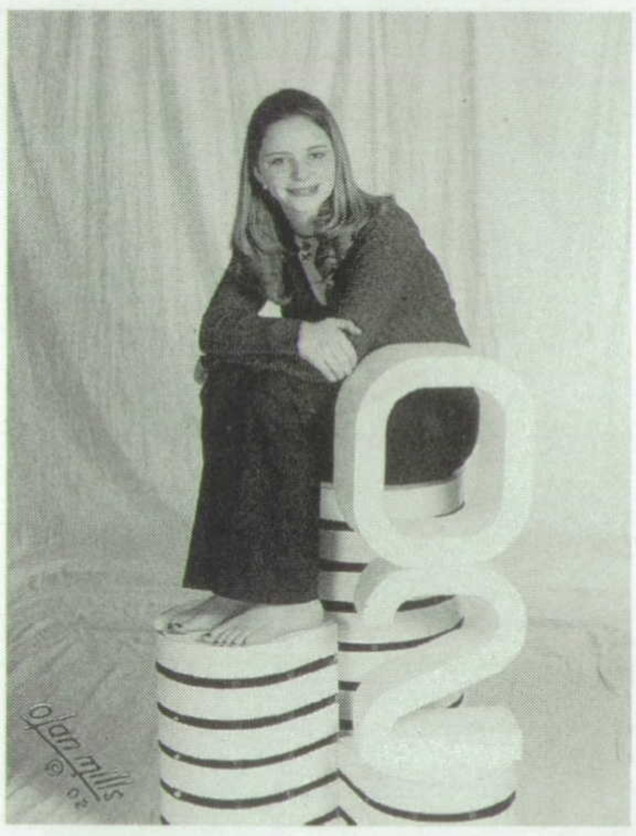

Brandi,

I remember when I used to go to your school & read your class books, watch you eat cake for class parties, & you got it all over your face. I remember going to your games in Jr. High & watched you act silly with your friends. Now it's your Sr. year & I know all those times are about to end. You have grown into such a beautiful & smart young lady & have made us so proud of YOU! I couldn't ask for better kids & I thank God everyday for giving me such wonderful girls. You're going to do so good in college because you set your goals & it because you never quit. You don't need me to wipe cake off your face anymore (well maybe) , but I will always be here for you sweetheart. Thank You for all the happiness you put in my life.

Love, Mom

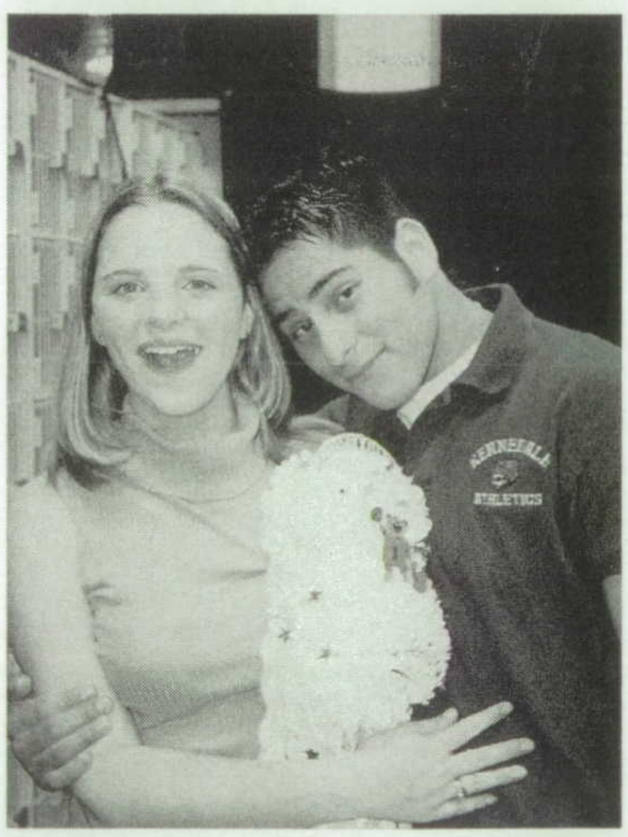

Brandi,

I can remember to say thank you for making being your Dad so easy & so fun. I love you!! - Daddy

Sissy,

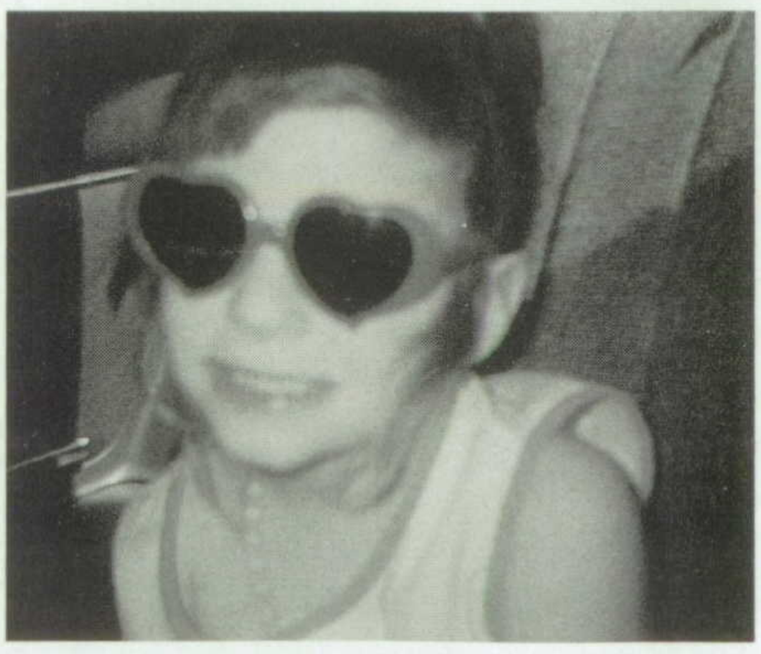

The biggest compliment I have ever gotten is that I look & act like you. I know that you will succeed in whatever you do in life & I love you lots. Good Luck!

Ariel Furman

Ariel,
Your light has illuminated our lives since the day you were born. You continue to amaze us with your spirit, talent, insight, intelligence, spontaneity, curiosity, creativity, energy, imagination, passion & vision. What a delight it has been to watch you grow & develop into a beautiful young woman.
As you reach for the stars stay grounded & know that we are always there for you.
Live, love laugh & don't forget to dream! Broadway awaits...
We Love you, Mom & Dad

Dear Ariel,
Sisterhood, it has been how much we can stand each other before we do something to make each other mad, trying to prove some sort of point. Yet, there is a point through all the bickering - we learn something. Some day we're not going to be able to turn around & fight anymore & I don't know about you but I'll miss it. Who else can we yell at when we're having bad days & they won't get too upset? I laugh at the idea. I hope your years of childhood have been the best they could be. I'm sure with all your skills & talents you're prepared for adulthood. You'll reach high goals & you'll have success. Although there are times that aren't that great, you've been the best sister! I wish you luck in college & TCU should be privileged to have you!
Love Always, Lauren Furman a.k.a. "Ariel's Sister"

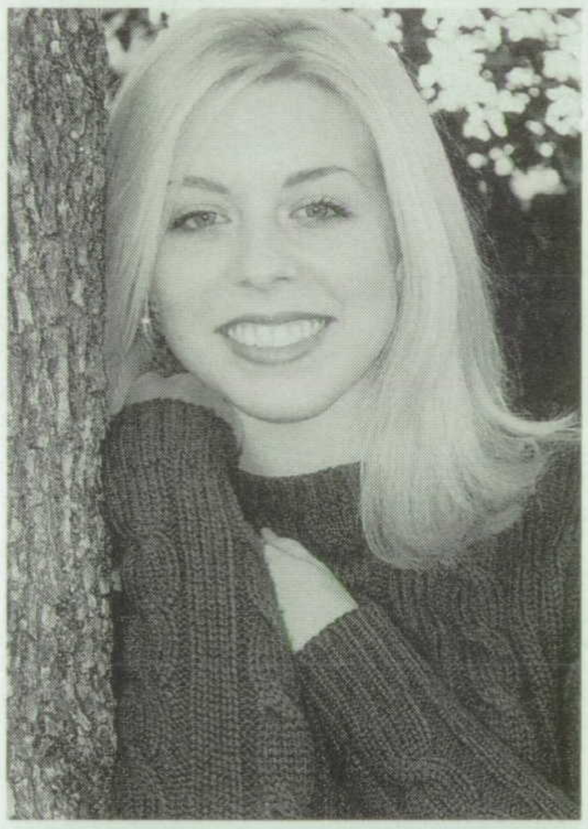

A.O. --
You're the most amazing, dynamic & spontaneous sister I could have ever asked for!! You have no idea just how proud of you I am. Even when we're worlds away, I can't help telling everyone how you're already the greatest actress I've ever known Now it's just up to you to prove it to them!! I love you so much!! Best of wishes at TCU!!
-- Ian

Ariel,
Celebrate the moment, the memories, the accomplishments - but also take time to celebrate the special person you are. The future, no doubt, holds the very best things for someone as special as you!! Our best love, Gramma & Papa

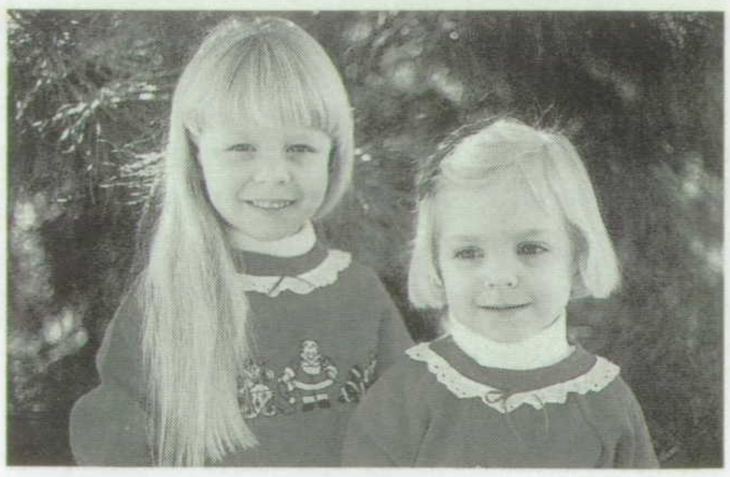

"For attractive lips, speak words of kindness.
For lovely eyes, seek out the good in people.
For a slim figure, share your food with the hungry.
For beautiful hair, let a child run his fingers through it once a day.
For poise, walk with the knowledge you'll never walk alone...
People, even more than things, have to be restored, renewed, revived, reclaimed & redeemed & redeemed...
Never throw out anybody.
Remember, if you ever need a helping hand, you'll find one at the end of your arm.
As you grow older you'll discover that you have two hands. One for helping yourself, the other for helping others."

Geoff Whitsil

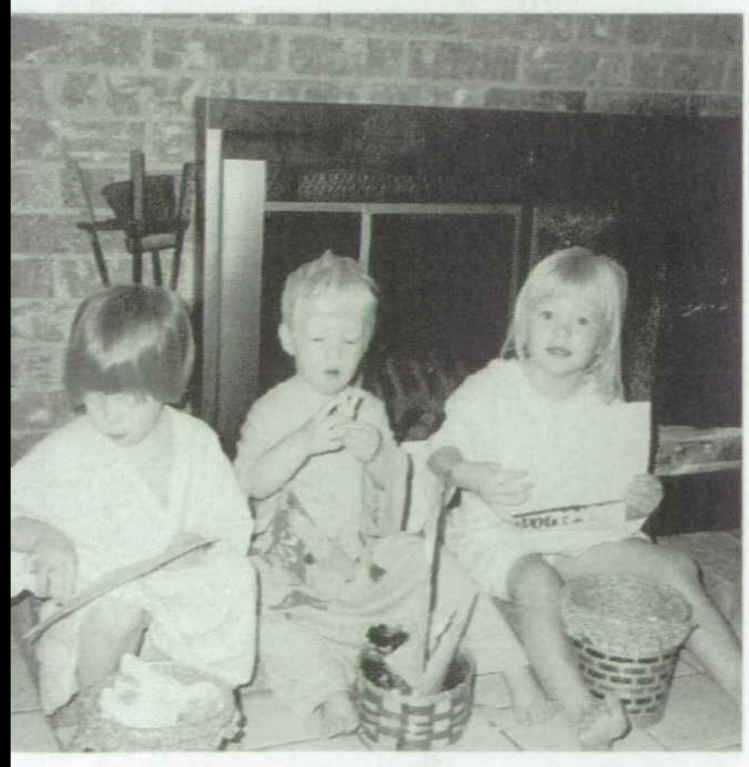

To my son Geoff,
On the day you were born I was so proud.
You were a happy baby & you put up with your sisters always wanting to hold & play with you!
In the years to come your excitement for life & your sense of humor will get you everything in life that you want. Accomplishing what you set out to do. Having fun with your sisters & your friends, capable of doing what you want to do.
As I watch you grow into a young man, I know you'll find happiness & success in your ability, self-knowledge & values. You have a positive attitude all the time. I know as you continue to grow you'll accomplish the goals you have set for yourself. Your confidence has grown as your strengths have developed Strive to achieve all that you love, find happiness in everything that you do & don't ever settle for less. I'm so proud of you.
Love always & forever,
Mom

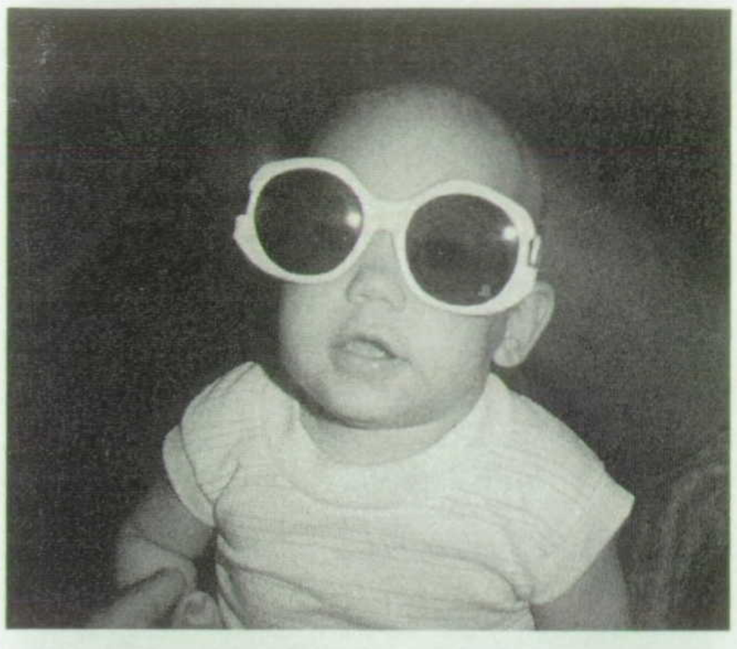

Geoff,
I can remember when we were little & Janea & I used to beat you up & Mom & Dad used to say, "You better watch out, one day he's going to be bigger & stronger than you." You have proven that to be true & now it's time for you to go prove it to the world. I love you & wish the best in everything you do.
Your loving sister,
Cindy

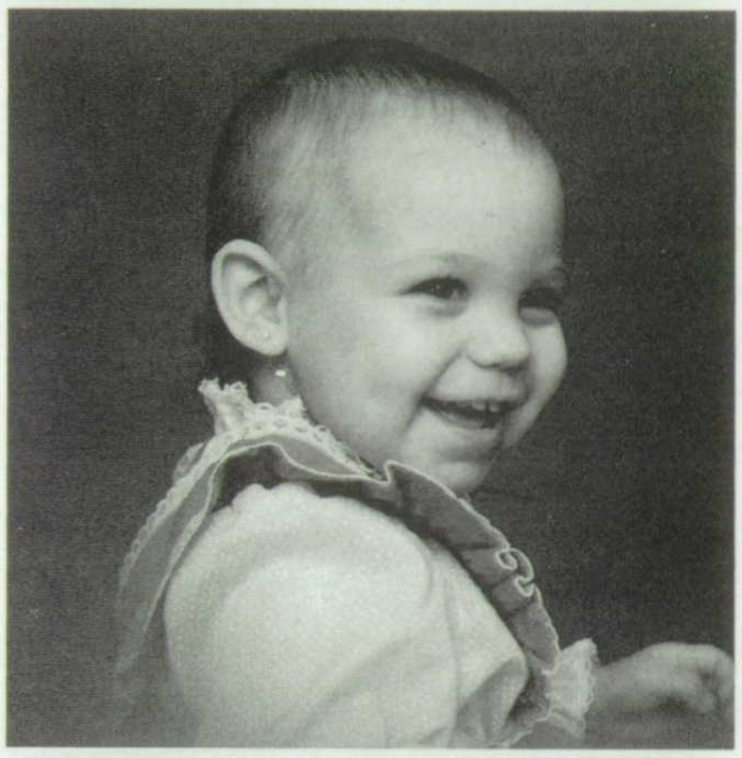

Geoff,
Through the years, I've watched you grow from a crying toddler to a self-reliant young man. You're more than a little brother now; you're a friend. Thanks for always making me laugh & keep working hard. Gig'em.
Janea

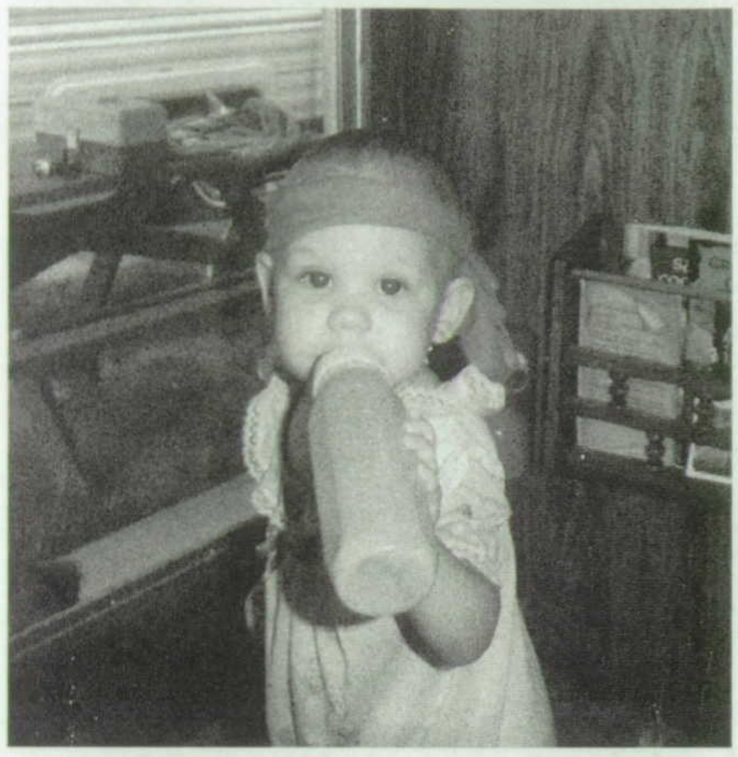

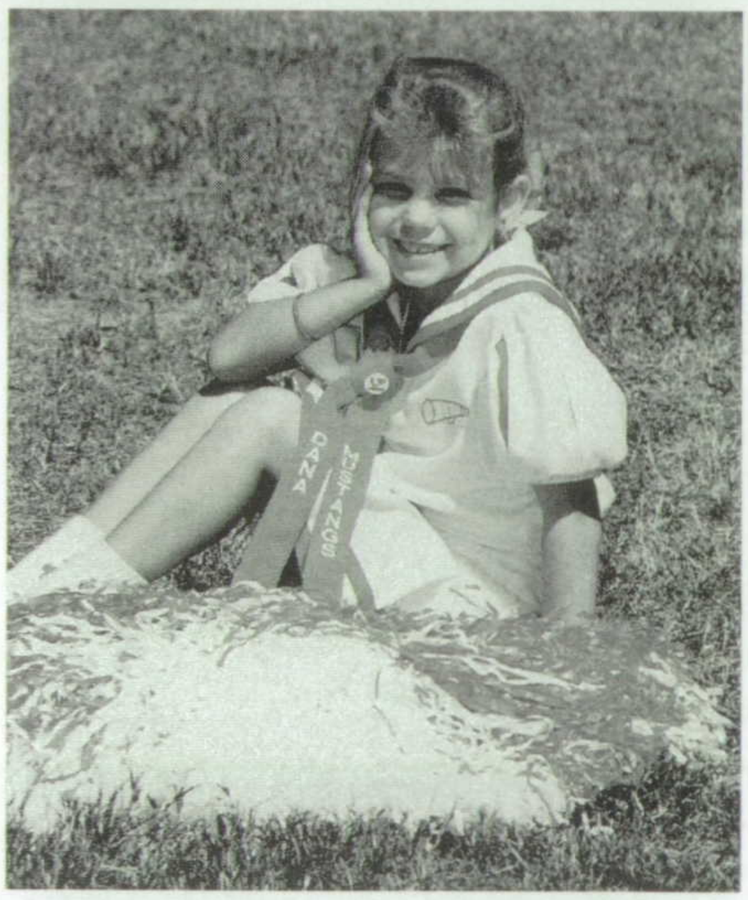

Dana Staton

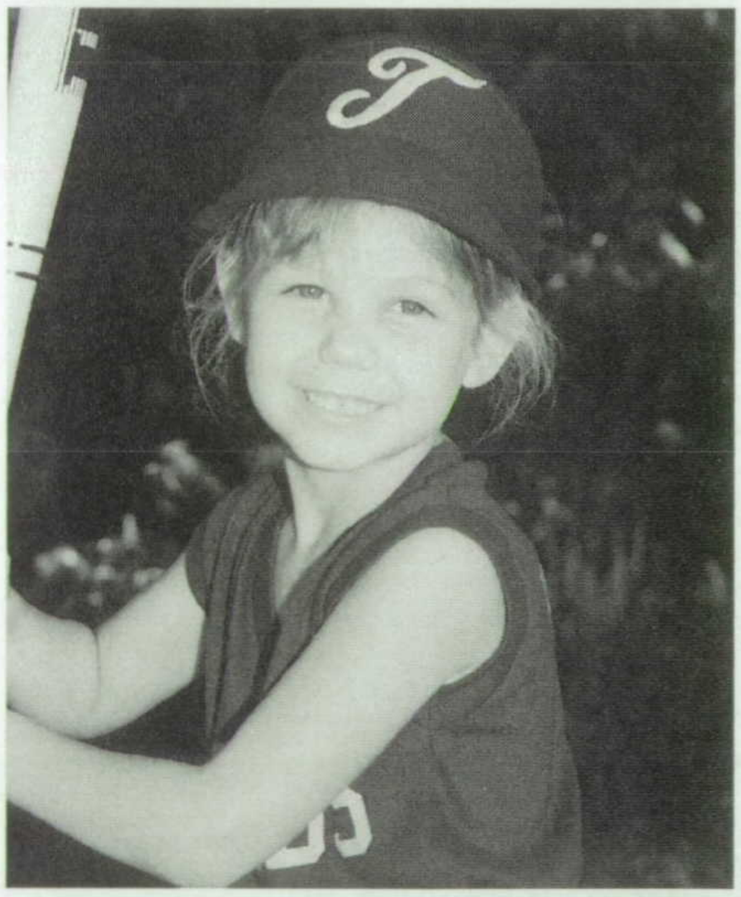

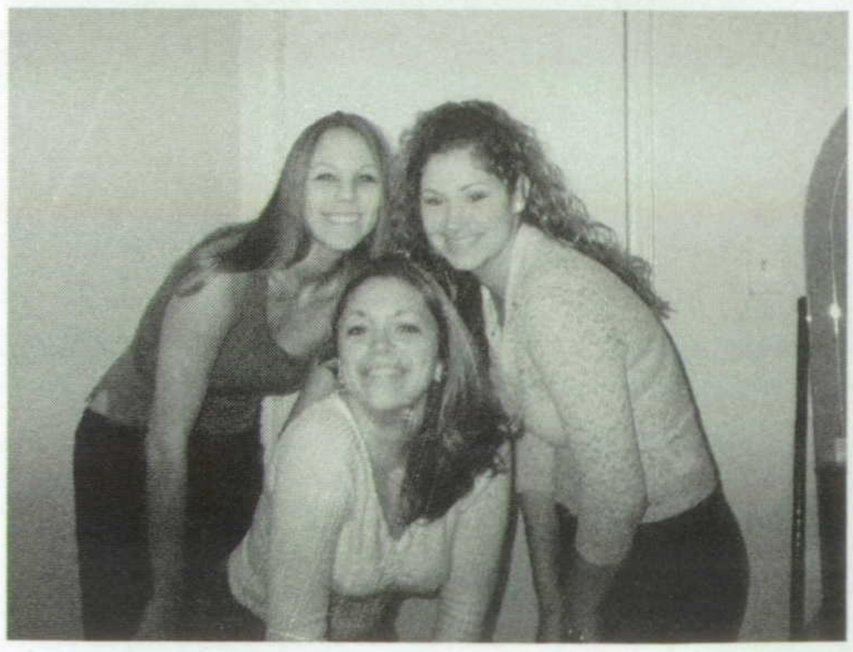

You're on your way & off to a great start.
You have always tried to live up to everyone's expectations: & although this comes as no surprise to me; you have not only lived up to them, you have surpassed them.
Now the "Break In the Road" is near & it's time for you to take charge of your goals & dreams.
Continue to set your standards high & always keep a level head & open heart as you have done in the past.
And as history has proven, I have no doubt that you'll surpass any ideals I may have had for you.
I know you will continue to make me very proud!
Love You - Mom

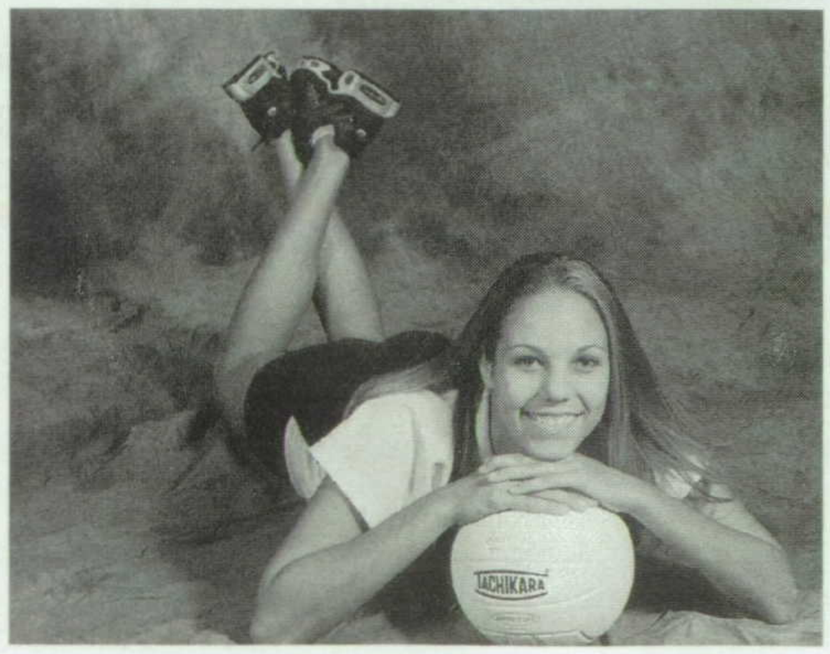

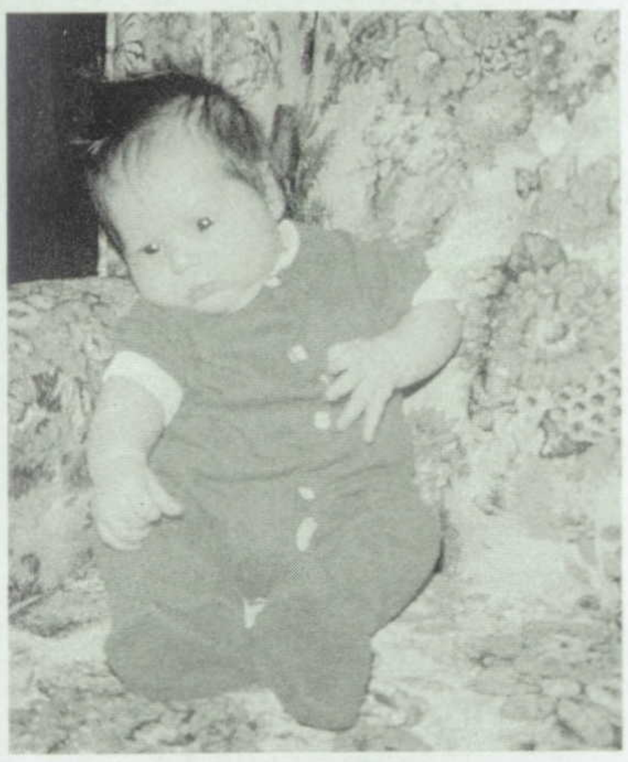

Jessica Little

Jessica,

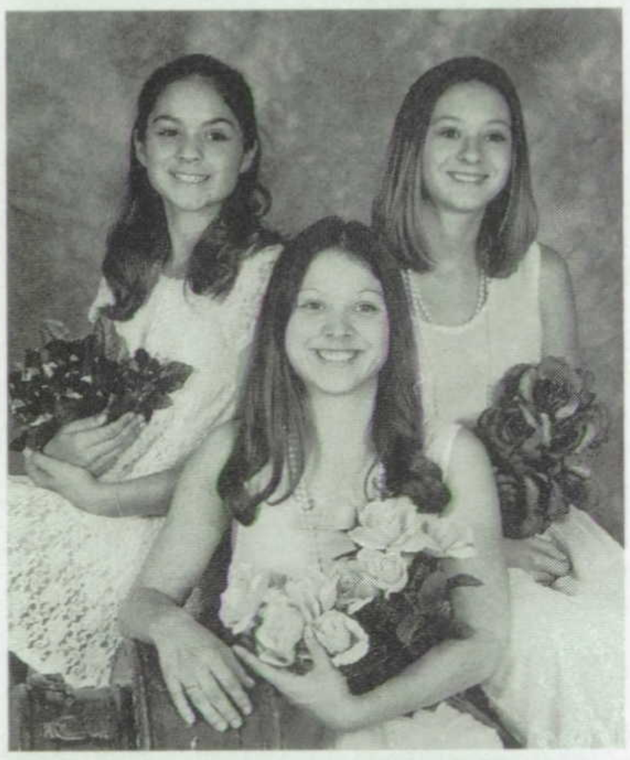

Your time has come. You probably think,"I'm finally graduating, how did it come so quickly?" Throughout your school years, you've made your way, mostly quietly & on your own. You have a great inner strength. However, we've been there right along with you, sharing your joys, sorrows, accomplishments, & your set backs - more than you could ever know. We are so very proud of you. You will now begin a new life, full of more joys, sorrows accomplishments, & set-backs. That great inner strength will continue to guide you - & we'll still be there with & for you. Your time has come. Love,
- Mom & Dad

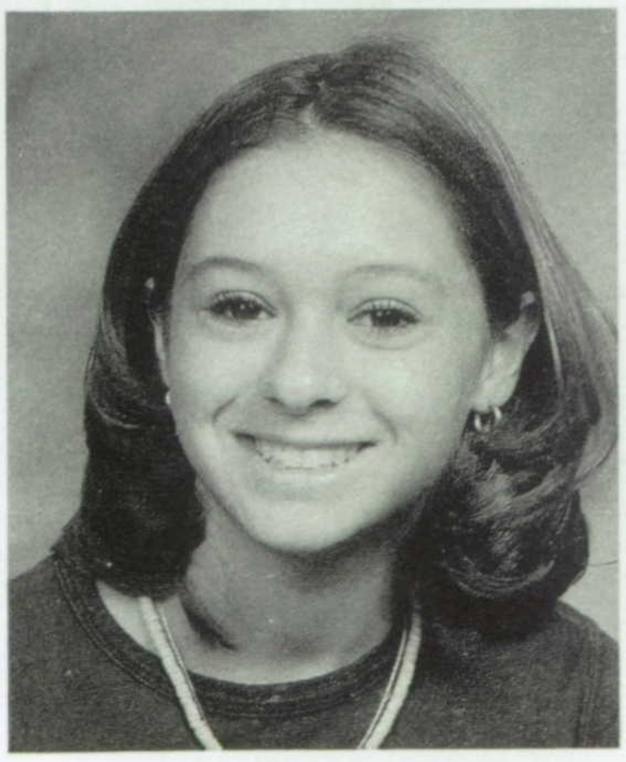

Jesse,

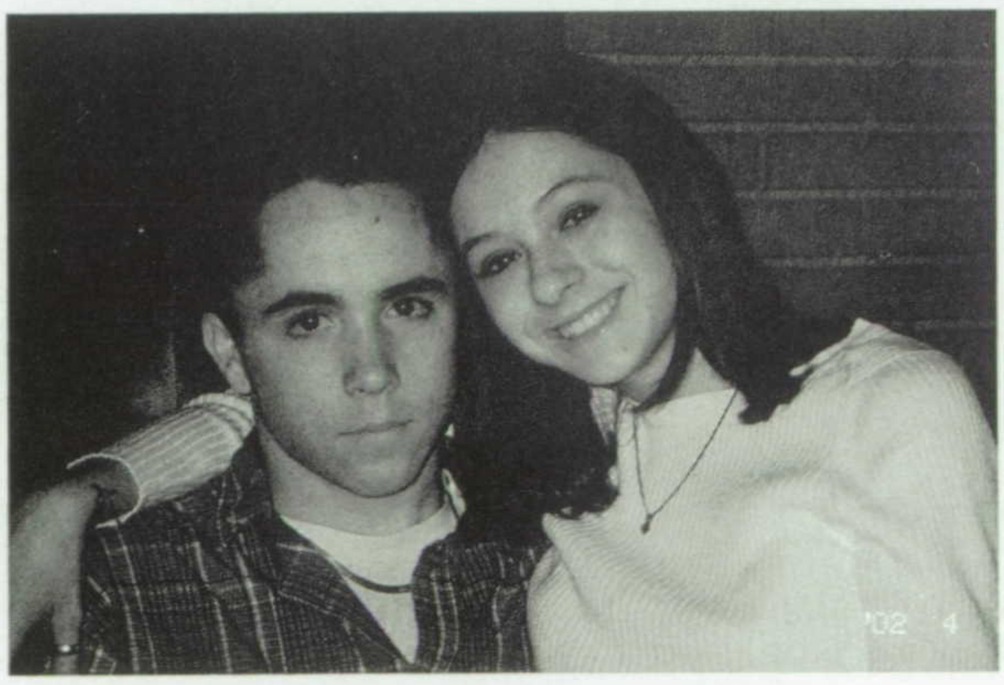

It's graduation time. I know you thought it would never come, but here it is & You have to move on, but anyone who knows you well, knows that you'll be fine & soon pull ahead in life. I know that, because you're a very intelligent, & will powered young adult who's going to make her mark in the world. I love you very much & congratulations. Love, - Johnny

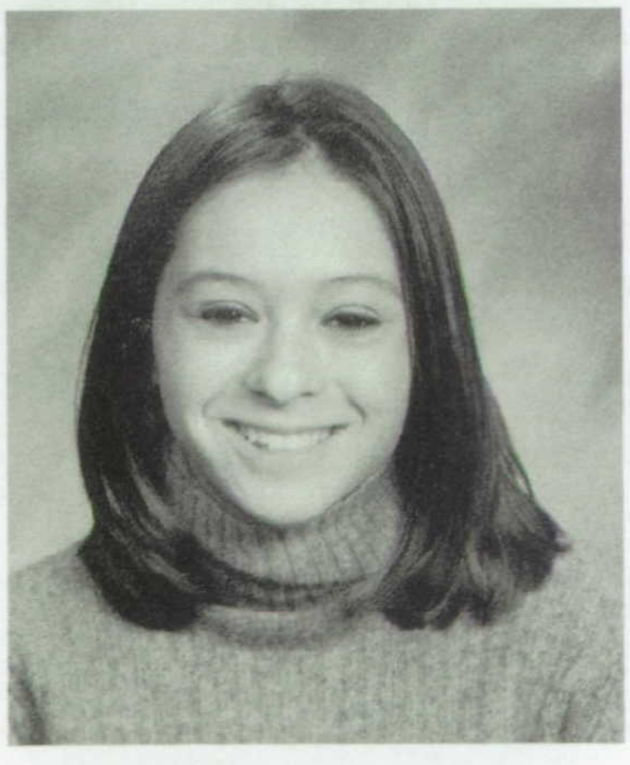

Jesse,

You've been my sister all of my life, & you've been one of the two people that I've looked up to. You've made good choices in life, & some bad, but I've learned from you not do those bad things. You've always been an influence on my life, & I just wanted to wish you good luck on life & hope that you have fun in college! Your little sister, - Katy

My Dearest Aubrey,

Eighteen years sounds like such a long time, but looking back it seems like only yesterday that I proudly held my first baby girl in my arms and dreamed of such a wonderful bright future that lay ahead of her. It has been the greatest thrill of my life to watch these dreams all coming true. For some, the sky may be the limit, but for my Darling Aubrey not even the sky can stop her!

Love,
Daddy

To Sis,

From the time we were very young to this day, we've been closer than close! It makes me sad just to think that this was your last year to be at home with us. Thank you so much for everything you've ever done for me. You're the best sister anyone could dream to have.

Love,
Jona

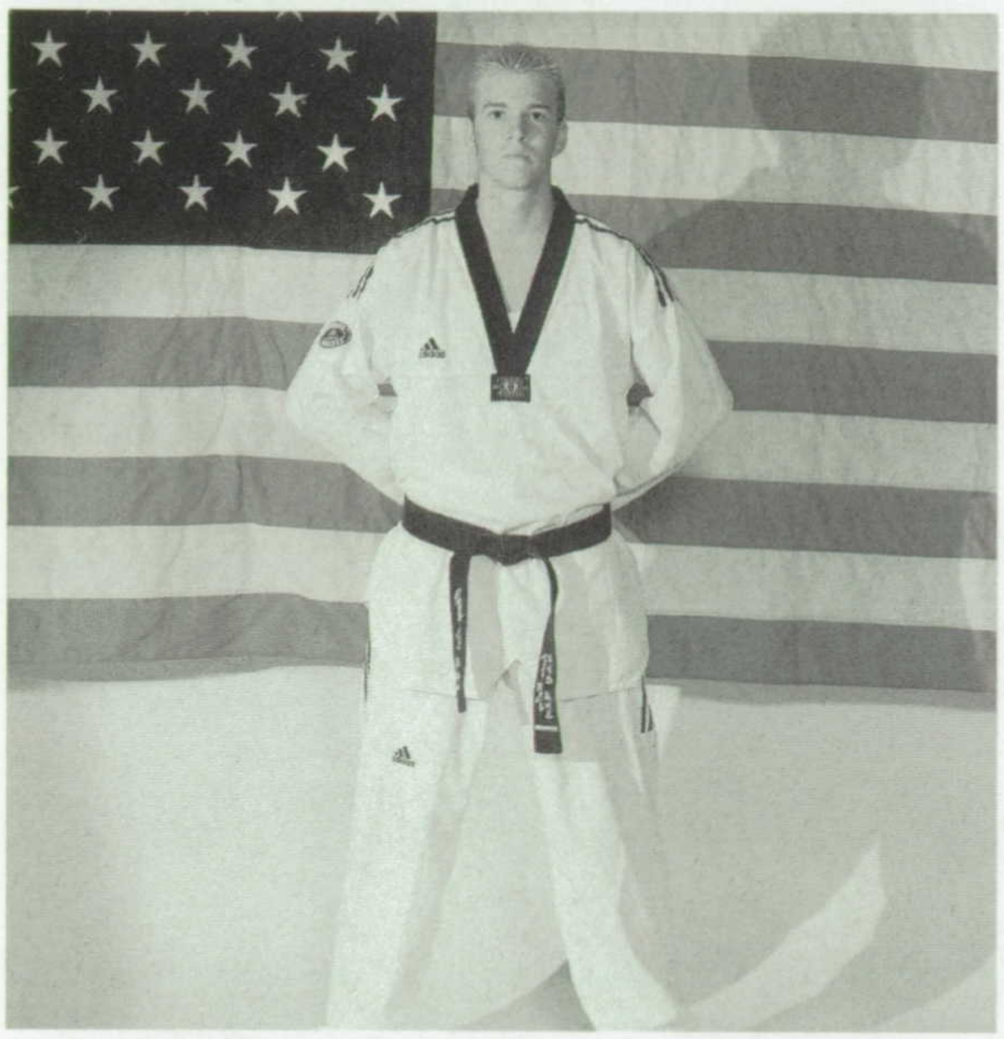

Aubrey,

Every person has a special light that they give off to the world. Your light brightens so many faces every time you talk, walk, and breathe. You have such a beautiful heart, always giving and knowing which steps to take not only to benefit your life but others as well. You, Aubrey Adelle O'Brien, are the honor-roll student, pilot, friend, sister, daughter, Christian leader, dancer, and so many more. Whoever thought any person as beautiful and intelligent could have such a great personality to form an amazing package which brings that special, yet powerful, light to this world.

Love,
Bavand (BVD)

"WRITTEN IN THE STARS"

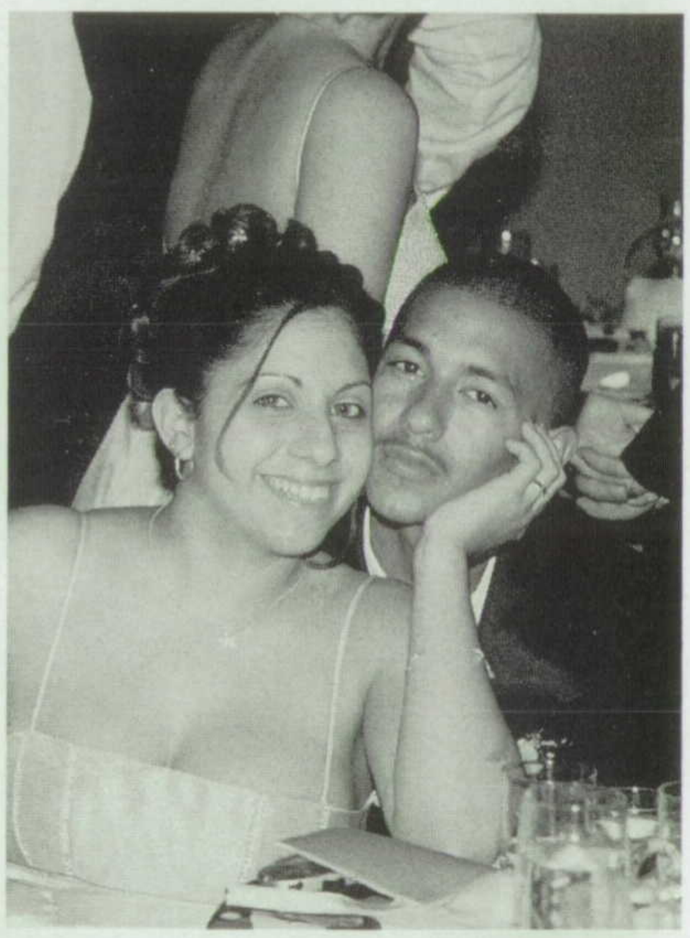

Just as the theme "Written In the Stars" predicted, prom night on April 27th, 2002, was a romantic, starry night. The air was filled with excitement as students and their dates entered the beautifully decorated ballroom of the Worthington Hotel. The girls, decked out in lovely colorful formals and the guys in their impressive tuxes, spent a memorable evening dining on sumptuous banquet and dancing the night away. White roses with lighted candles on the tables and the flowers of the girls corsages perfumed the air adding to the magic of the night. The class President Catherine Boenig gave a welcoming speech and Albert Parra led everyone in prayer. Later Mrs. Wallis and Mr. Mowles announced the King and Queen of the prom: Jessica Donaldson and Jake Williams. Their court members: Albert Parra and Aubrey O'Brien, Monica Chavez and Drew Hampton, and Charles Scott and Shaun Henderson. Throughout the night cameras flashed capturing pictures of this unforgettable night.

2002

On June 4, at Will Rogers Coliseum, at 7:30 p.m., Kennedale's senior class of 2002 filled the auditorium along with faculty, family, and friends to celebrate graduation. Mr. Edwards, the principal, welcomed and congratulated the seniors on their accomplishments. Other speakers included Mrs. Wallis who named the valedictorian and salutatorian and Mrs. Ward who presented the senior slide show. This feature, created through the efforts of her students as well as herself, presented special moments in the graduates' lives. As each senior walked across the stage, they received their diplomas from Mr. Edwards and were congratulated by Mr. Dugger, our superintendent. Mr. Edwards closed the evening with good byes and wishes of good luck to the graduates on their futures ahead.

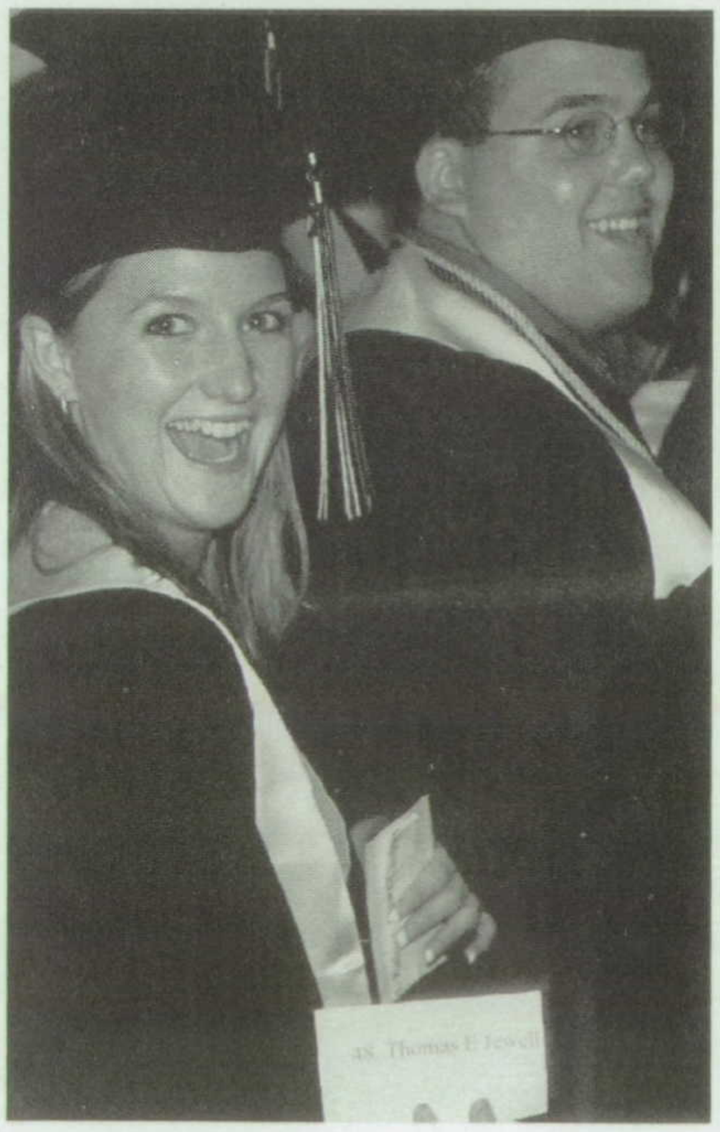

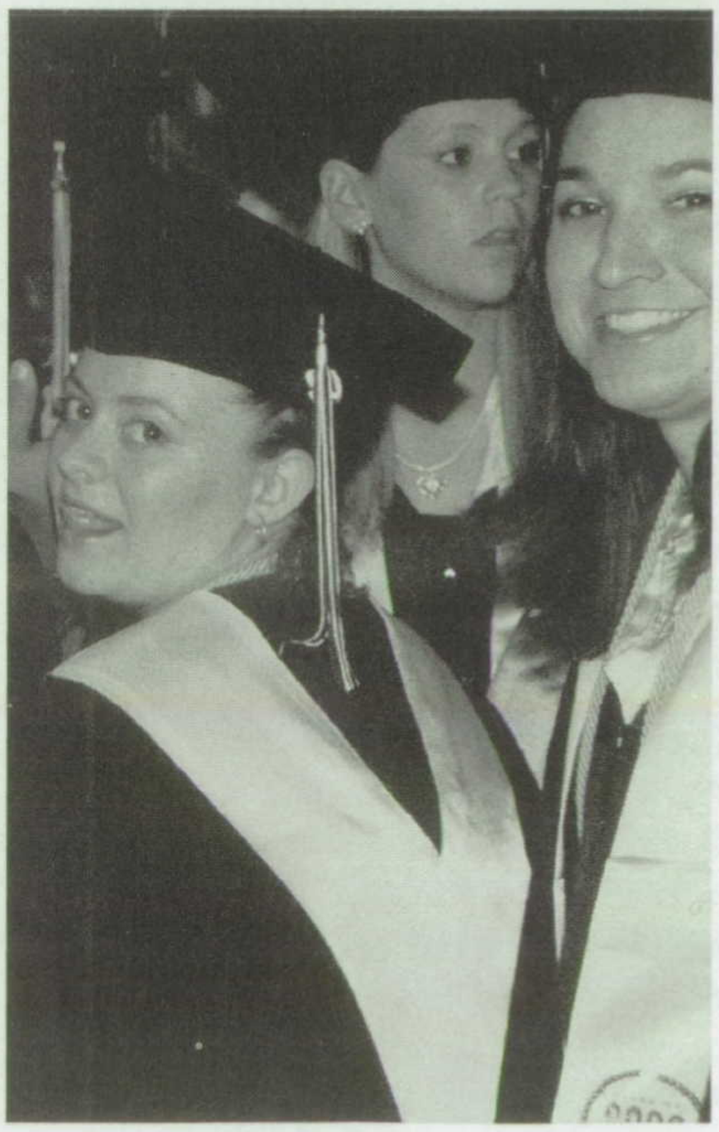

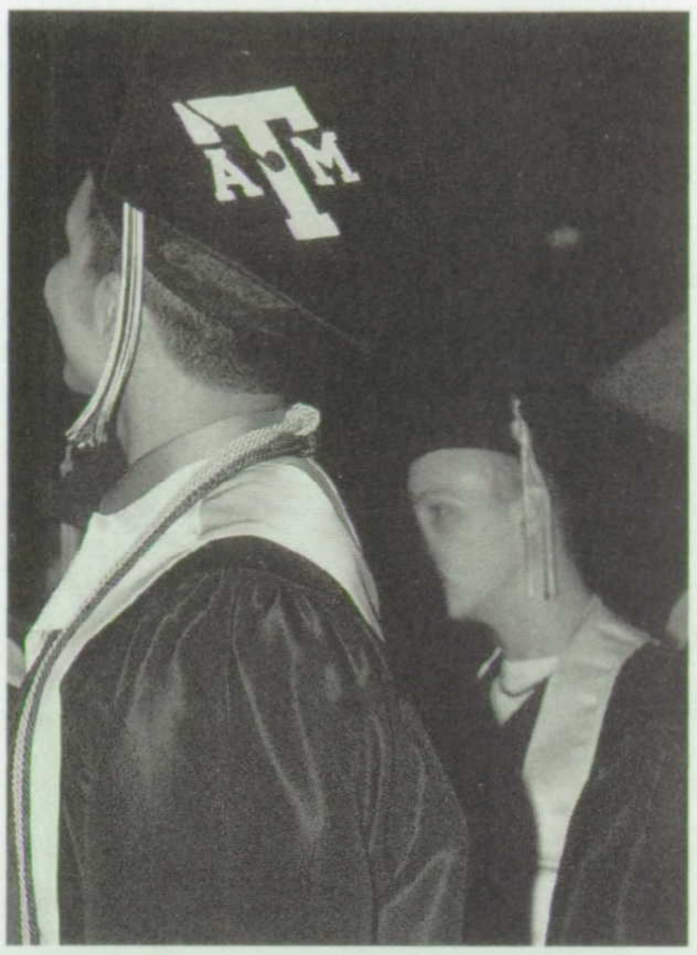

A•M

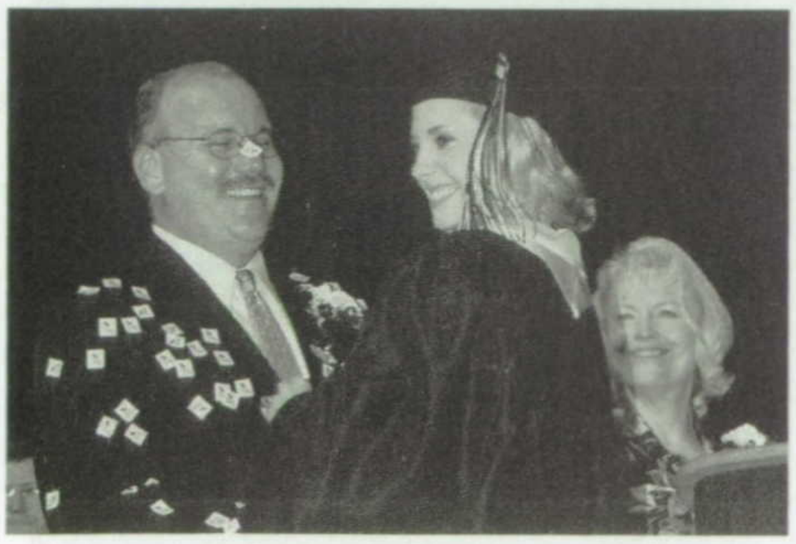

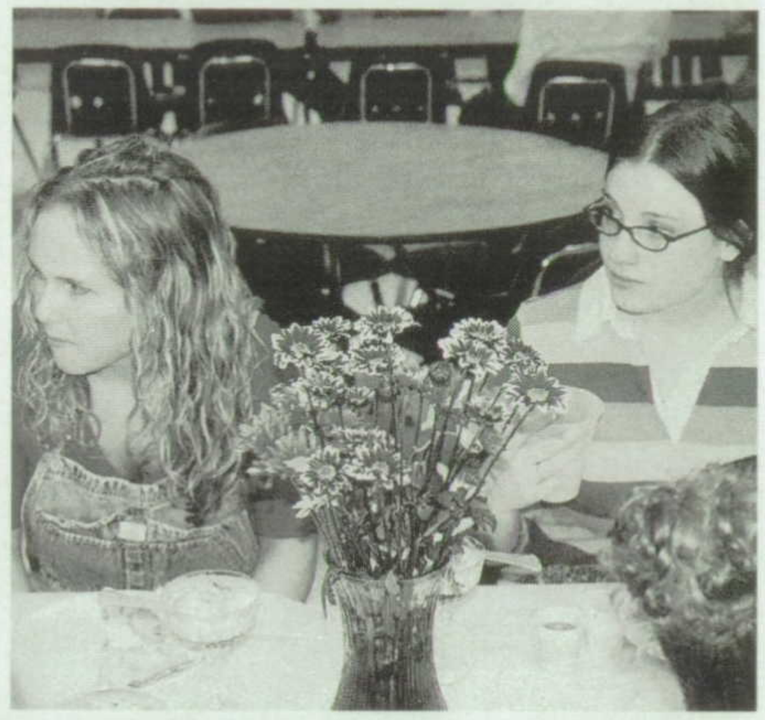

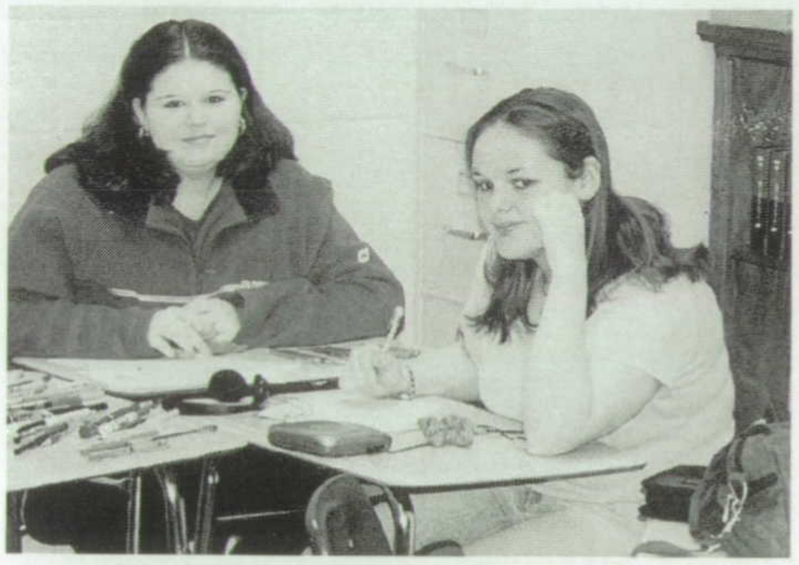

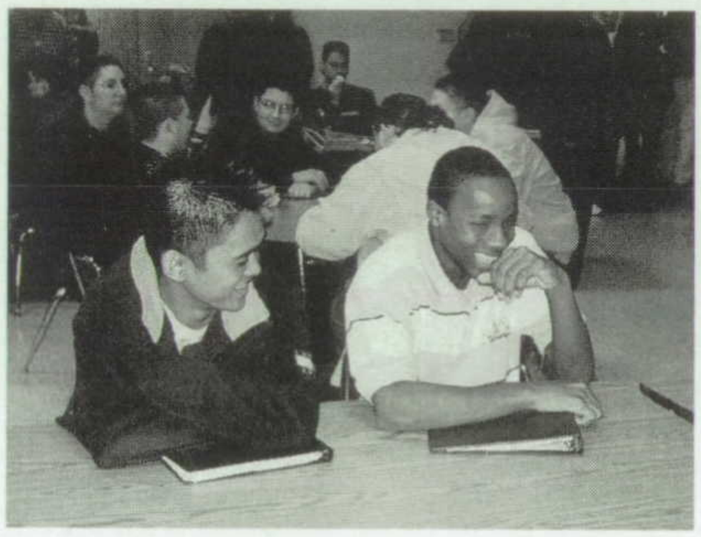

CLOSING

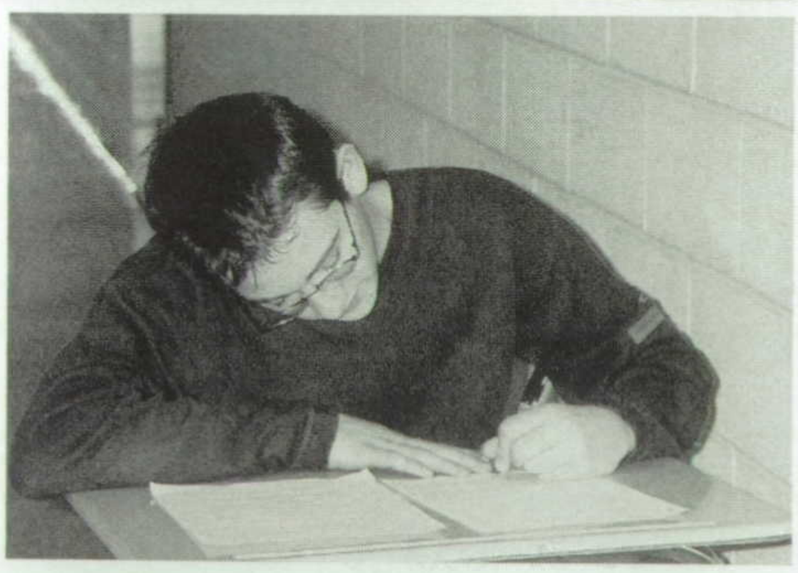

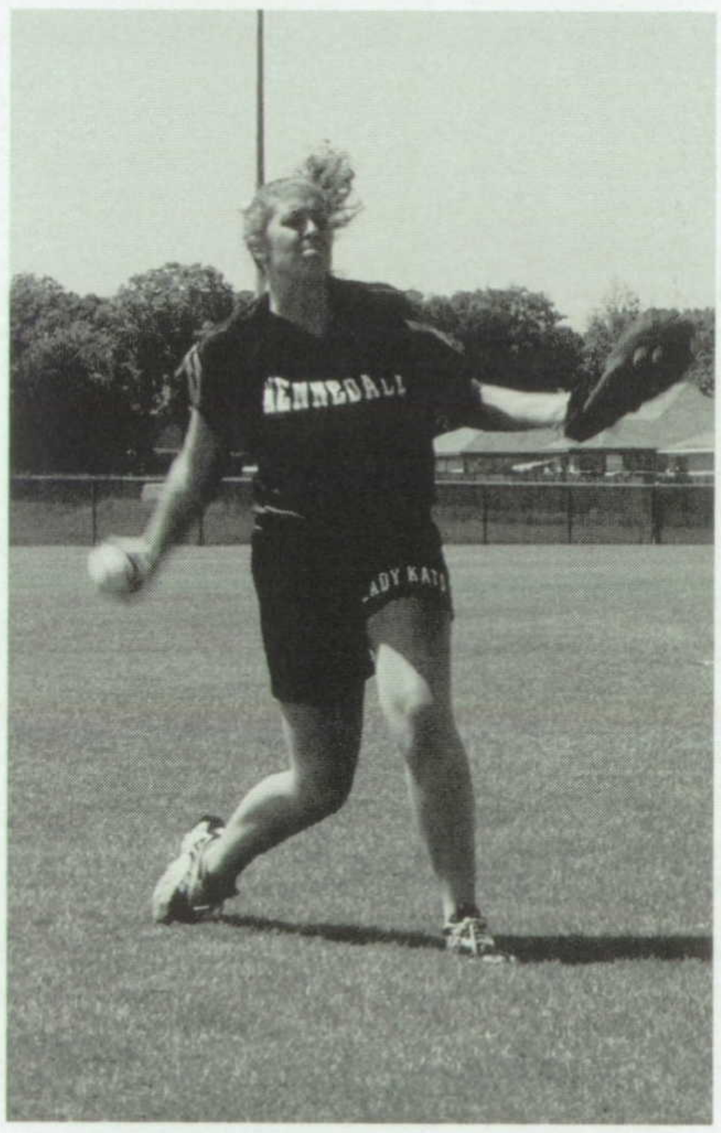

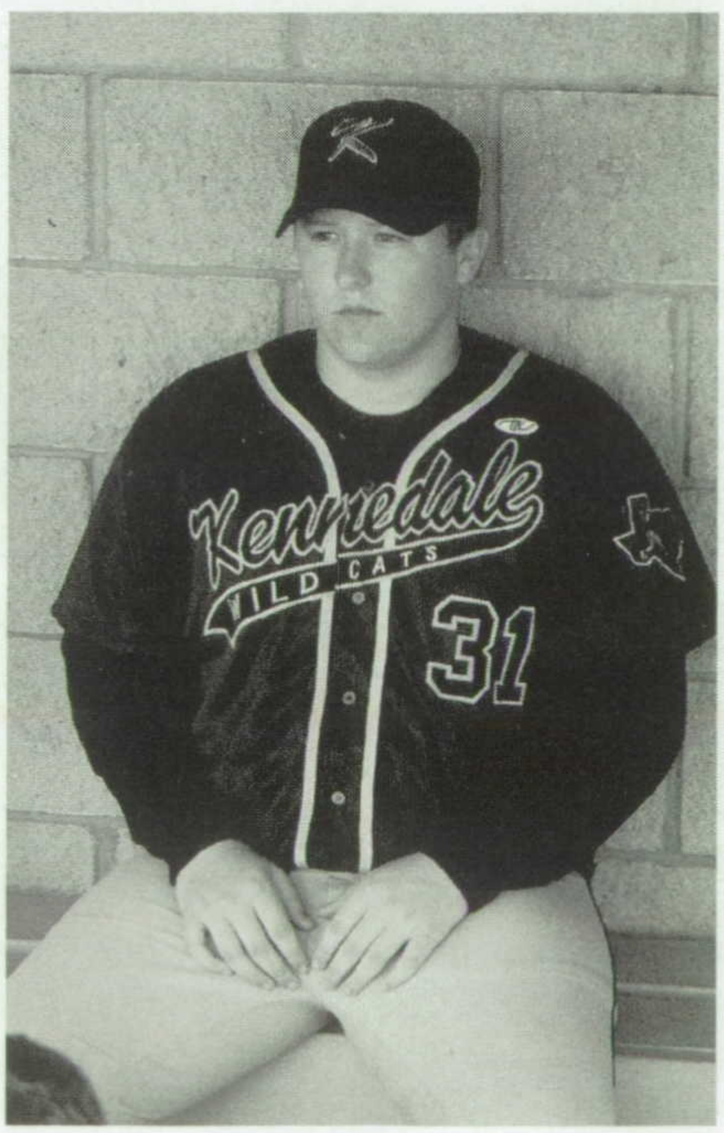

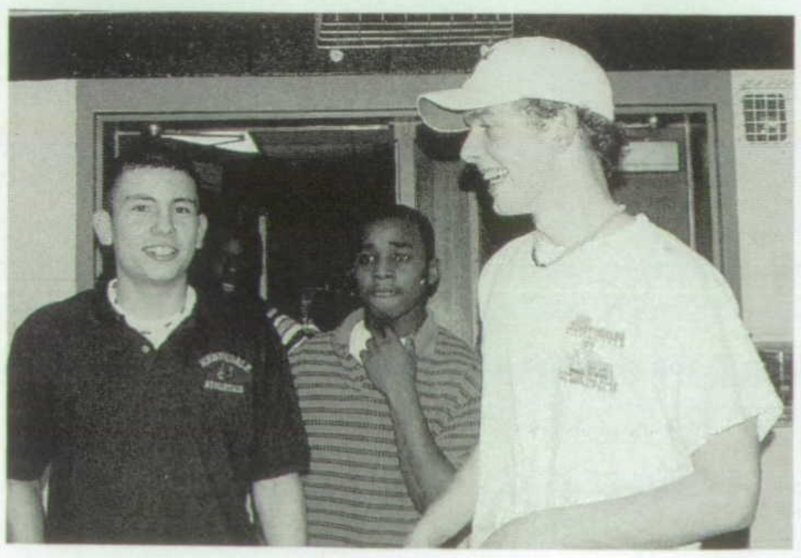

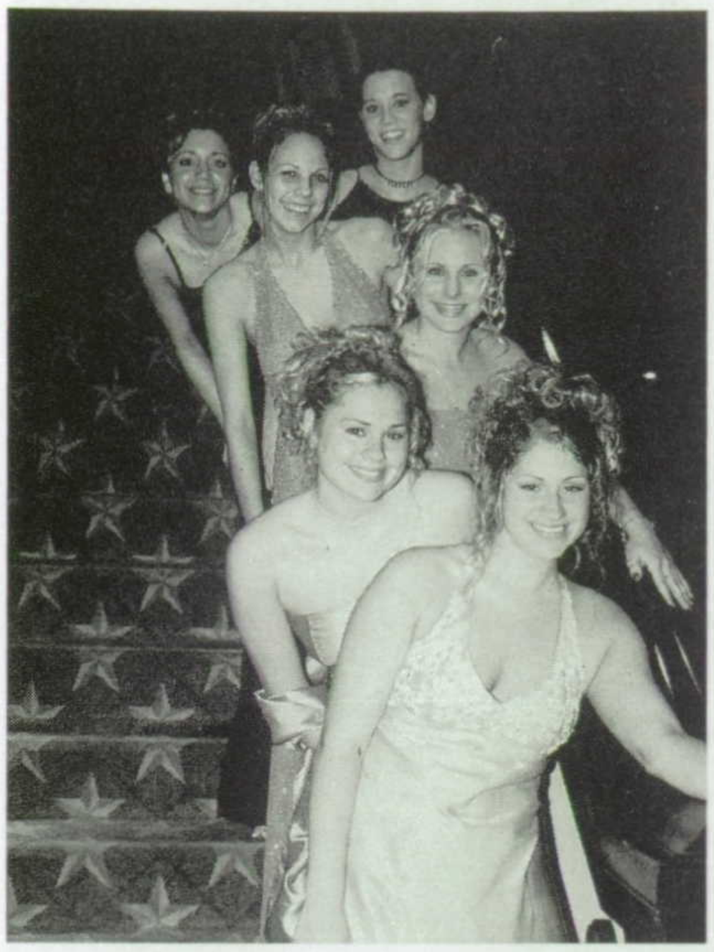

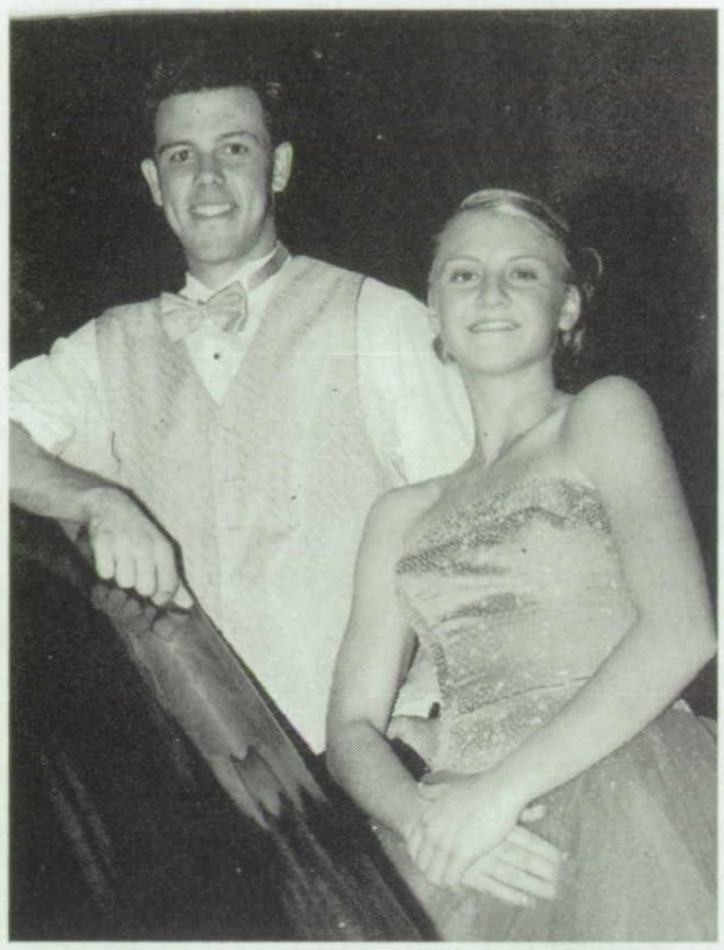

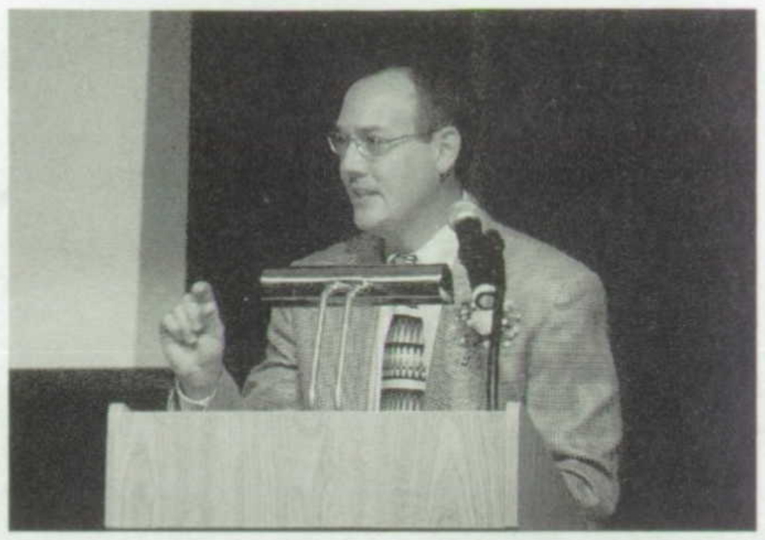

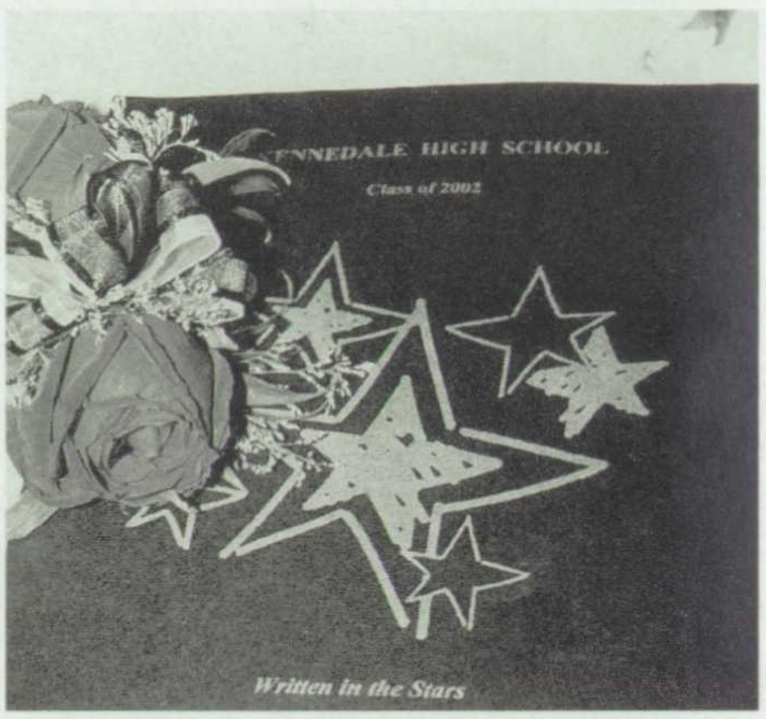

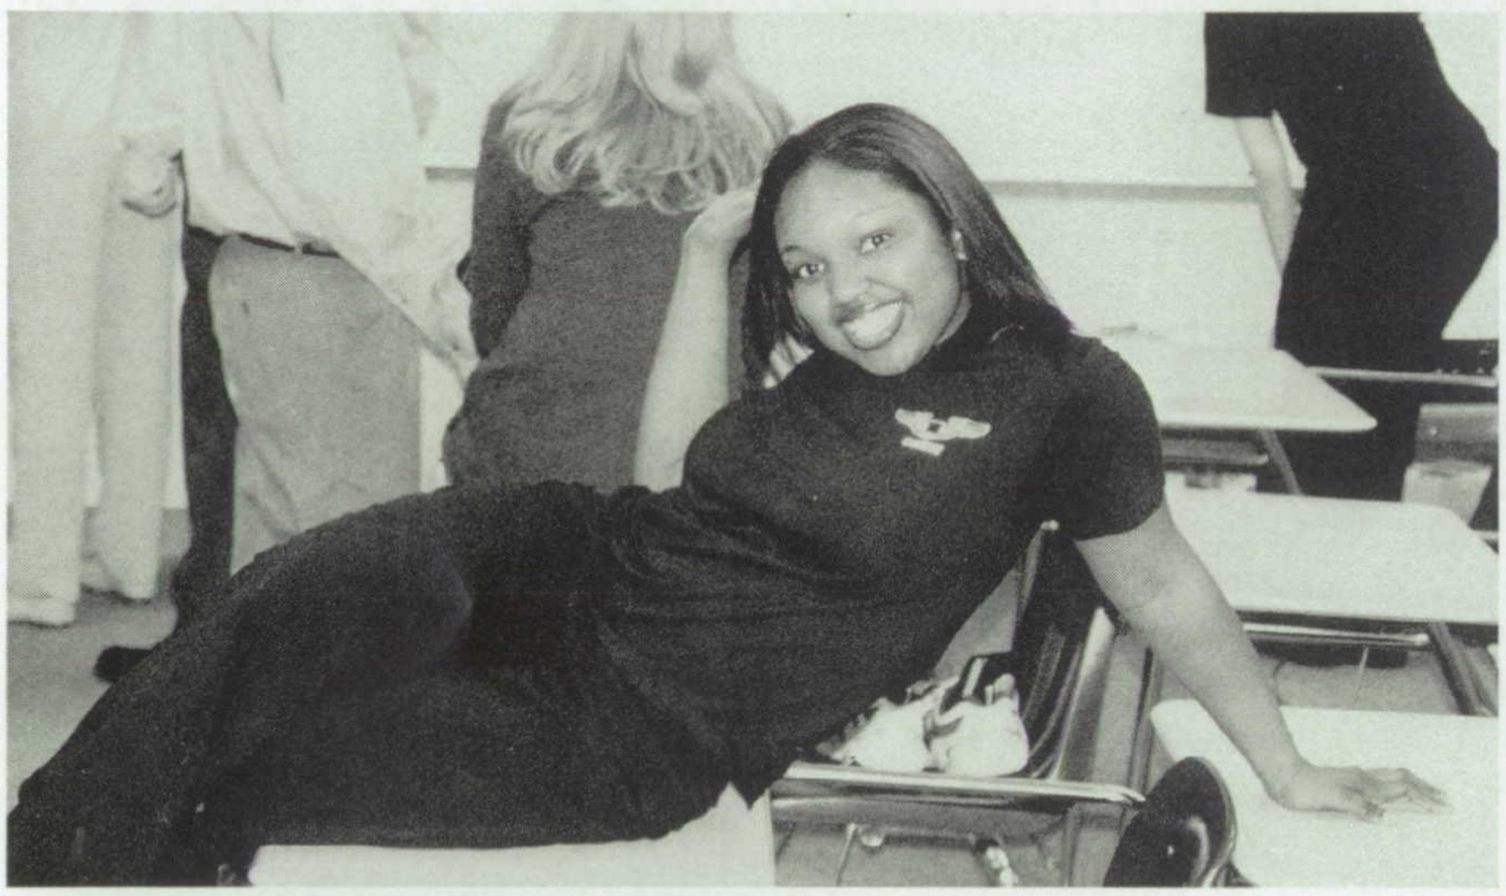

A year's time has passed by us in the 2001 - 2002 school year & with time comes change. During this time we've all grown, matured, & learned more about ourselves & life itself. We were encouraged to use our minds & explore new possibilities as a new year appeared & disappeared sooner than anyone could have imagined. At the start of the school year, we took a step back in time & returned to the traditional seven period schedule. Since tragic events of September 11, 2001, we've all united & become closer, not only as a nation, but as a community. On September 11, we experienced death on a national level; on March 9, 2002, we experienced death much closer to home. On this day, our beloved Mrs. Wilson passed away. As first semester turned into second semester, we welcomed Mr. Edwards as our new principal. This time around, many of our athletes surpassed expectations and entered post-season play. Just as soon as it began, the year has already come to an end.

Special Thanks :

We would like to take this final TIME to offer our many thanks to several people & groups for their help in making this a great pictorial record of 2001 - 2002 KHS life. First, we would like to thank Taylor Publishing Co. & Chris Cox, our Taylor Representative, for being so thorough, helpful, & patient throughout the making of this book. A special thanks also goes to Mrs. Glenda Boenig for taking some great candids & donating them to be used in the yearbook. The cooperation of the faculty made the jobs of the yearbook staff & sponsor much easier. Another note of appreciation goes to all the parents, students businesses, & organizational groups who have bought this book & supplemented the cost by purchasing ads. Another note of appreciation goes to Mrs. Kathy Duncan who answered a lot of questions & helped distribute yearbooks to Seniors. One final thank you to Glamour Craft Studios for coming to special events/occasions & taking such clear, professional pictures for us. It has taken the expertise, THANKS THANKS THANKS !!!
